Local Civil Rules -- Northern District of Ohio

Rule 1.2 Definitions

(a) "United States Attorney," unless otherwise indicated, shall also mean the Assistant United States Attorneys and Department of Justice Attorneys assigned to a case.

(c) "Clerk" shall be interpreted to include the Clerk of the District Court and any Deputy Clerk. The Clerk of the Bankruptcy Court will be referred to as the "Bankruptcy Clerk."

(d) "Judicial Officer" is either a United States District Judge or a United States Magistrate Judge.

(e) "Judge" shall be interpreted to mean all Judicial Officers, including District Judges and Magistrate Judges, unless specifically limited or the subject is directed to one of these Judicial Officers.

**CHAPTER II
COMMENCEMENT OF ACTION**

Rule 3.1 Assignment of Cases; Related Cases, Refiled, Dismissed and Remanded Cases

(a) **Assignment.** Subject to the latter provisions of this Rule, upon filing, each civil case shall be assigned by random draw to a District Judge. He or she shall continue in the case or matter until its final disposition. Any case received from the random draw may be transferred, with the concurrence of the receiving District Judge and the approval of the Chief Judge.

With regard to all civil proceedings in the Eastern Division of the Court, after each case is assigned by random draw to a District Judge, the Clerk shall immediately assign a Magistrate Judge to the case in accordance with orders of the Court.

(b) **Reassignment.** Cases shall be assigned other than by random draw only in the instances set forth in this paragraph. Such assignments shall be made by the Clerk in accordance with these Rules. When an additional assignment is thus made to a District Judge under any of the following sub-paragraphs, an electronic card for said District Judge shall be removed from the deck from the same category from which the case would have been drawn.

(1) **Disqualification.** Should a District Judge be disqualified from hearing a case assigned to him or her, the case shall be reassigned by random draw in the respective division. If the case had been on the docket of the disqualified judge more than three months, the newly assigned district judge may, within one month, transfer a case of the same general age and complexity to the disqualified judge in lieu of having an electronic case assignment card removed from the deck.

(2) **Subsequent Proceedings.** Subsequent proceedings in civil cases shall be assigned to the District Judge who heard the original case.

(3) **Related Cases.** A case may be re-assigned as related to an earlier assigned case with the concurrence of both the transferee and the transferor District Judges, with or without a motion by counsel.

(4) **Refiled, Dismissed and Remanded Cases.** If an action is filed or removed to this Court and assigned to a District Judge after which it is discontinued, dismissed or remanded to a State Court, and subsequently refiled, it shall be assigned to the same District Judge who received the initial case assignment without regard for the place of holding court in which the case was refiled. Counsel or a party without counsel shall be responsible for bringing such case to the attention of the Court by responding to the questions included on the Civil Cover Sheet.

When it becomes apparent to the District Judge to whom a case is assigned that the case was previously filed in this Court and assigned to another District Judge and was discontinued, dismissed without prejudice or remanded to a State Court, the two District Judges shall sign an order reassigning the case to the District Judge who had been assigned the earlier case.

(5) **Transfer of Civil Actions.** Any case received from the random draw may be transferred, with the concurrence of the receiving District Judge and the approval of the Chief Judge.

Local Civil Rules -- Northern District of Ohio

Rule 3.2 Procedure for Assignment of Cases

The procedure for the assignment of cases shall be the same for the Eastern and Western Divisions. Each of the District Judges in the Eastern and Western Divisions shall be assigned an equal share of the cases filed in his or her division except that the Chief Judge shall be assigned a one-half (50 percent) share. This shall apply to civil cases and to the miscellaneous docket.

Local Civil Rules -- Northern District of Ohio

Rule 3.3 Categories of Civil Cases

Depending upon the nature of the claim (principal claim if more than one claim is in the complaint), each case shall be designated as within one of the following categories:

1. Regular Civil
2. Administrative Review/Social Security
3. Death Penalty Habeas Corpus

Immediately upon filing, each civil case shall be assigned to the appropriate category by the Clerk's Office.

Local Civil Rules -- Northern District of Ohio

Rule 3.4 Preparation of Assignment Decks

For each of the Eastern Division Offices in Akron, Cleveland and Youngstown, the Clerk of Court shall cause to be created a separate electronic deck of case assignment cards for Civil Category 1. For all of the Eastern Division Offices, the Clerk of Court shall cause to be created a combined electronic deck of case assignment cards for Civil Category 2.

For the Western Division, the Clerk of Court shall cause to be created a separate electronic deck of case assignment cards for Civil Categories 1 and 2.

For all offices in both the Eastern and Western Divisions, the Clerk of Court shall cause to be created a single electronic deck of case assignment cards for Civil Category 3.

The electronic cards comprising each deck category will contain the category number and the name of a District Judge. The name of each District Judge shall appear on that number of cards in the electronic deck that corresponds to the share of cases assigned to that District Judge pursuant to Local Rule 3.2.

The cards making up a deck shall be electronically shuffled so that the sequence will be entirely by chance, and the cards shall be concealed so that the name of the District Judge will not be known until the card is drawn. Relying upon the indicated category of the case and selecting the appropriate deck depending upon the venue of the case (See Local Rule 3.8(a), the Assignment Clerk shall randomly select a card from the deck of that category and venue. The case shall be assigned to the District Judge whose name appears on the drawn card. New decks of cards shall be prepared by the Clerk from time to time, as herein described, unless otherwise instructed by the Court.

In the Western Division, decks for each category of civil cases shall be replenished as soon as the decks are depleted.

For the Eastern Division, decks for Civil Category 1 shall be replenished only after all Civil Category 1 decks for all offices in the Eastern Division are depleted. Thus, (1) if the Youngstown deck is depleted first, Youngstown cases will thereafter be assigned to District Judges from the Akron deck until that deck is depleted. When the Akron deck is depleted, both Youngstown and Akron cases will be assigned to District Judges from the Cleveland deck. (2) If the Akron deck is depleted first, Akron cases will thereafter be assigned to District Judges from the Youngstown deck until that deck is depleted. When the Youngstown deck is depleted, both Akron and Youngstown cases will be assigned to District Judges from the Cleveland deck. (3) If the Cleveland deck is depleted first, Cleveland cases will thereafter be assigned to District Judges from the Akron deck until that deck is depleted. When the Akron deck is depleted, both Cleveland and Akron cases will be assigned to District Judges from the Youngstown deck.

When all of the Civil Category 1 decks in the Eastern Division are depleted, all will be replenished and the assignment system herein described will start over.

The Assignment Clerk shall mark, on the first document of the case, the next consecutive number and the name of the District Judge to whom the case is assigned. A record of all assignments made shall be kept by said Clerk. Reports of case assignments shall be made available to the Court upon request.

Local Civil Rules -- Northern District of Ohio

Rule 3.5 Duties of the Clerk as to Case Assignments

The random electronic shuffling of the electronic assignment cards and the concealment of these cards in separate decks shall be administered by the Clerk. The Clerk shall not reveal the sequence of the electronic cards to anyone, unless ordered to do so in the presence of the District Judges at a regularly scheduled meeting.

Local Civil Rules -- Northern District of Ohio

Rule 3.6 Assignments to Senior Judges

The Chief Judge shall, upon the recommendation of the appropriate Committee of the Court and with the approval of a majority of the active District Judges, assign to each Senior Judge a substantial amount of the business of the District Court during the period in which each Senior Judge is duly authorized or designated to hear cases.

Local Civil Rules -- Northern District of Ohio

Rule 3.7 Reassignment of Matters to Active Judges

All newly filed motions or other matters requiring action by the Court in cases which were originally assigned to District Judges who are no longer serving on the District Court shall be reassigned by random draw to an active District Judge.

Local Civil Rules -- Northern District of Ohio

Should it appear that any matter requires urgent and immediate attention and the District Judge to whom said case has been assigned, or in the usual course would be assigned, is not or will not be available and said District Judge has not arranged for an alternate to handle such matters in his or her absence, then the Clerk of Court shall refer the matter to the District Judge on miscellaneous duty rotation, if available, or to the next available District Judge on regular, active duty who has precedence.

Local Civil Rules -- Northern District of Ohio

Where a plaintiff has been granted leave to proceed in forma pauperis, the U.S. Marshal shall be directed to serve the summons and complaint, pursuant to 28 U.S.C. § 1915(c), after the Court has first reviewed the complaint to determine whether sua sponte dismissal under section 1915(d) is appropriate.

(b) **Waiver of Service**. The provision for waiver of service in Fed. R. Civ. P. 4(d) shall not apply in cases filed by plaintiffs proceeding in forma pauperis. In all such cases, the U.S. Marshal shall serve the summons and complaint upon the Court's direction to do so.

Local Civil Rules -- Northern District of Ohio

Rule 4.2 Service of Process

Fed. R. Civ. P. 4 provides for alternative methods of serving the summons and complaint in a civil action. Methods established by the Rule itself are preferred, particularly ***Rule 4(d) Waiver of Service; Duty to Save Costs of Service; Request to Waive***, and should be attempted before service is attempted pursuant to the Ohio mail methods authorized by Fed. R. Civ. P. 4(e)(1).

Fed. R. Civ. P. 4(e)(1) authorizes service pursuant to the law of the state in which the district court is located for a summons or other like process upon the defendant in an action brought in the courts of general jurisdiction of Ohio. Rules 4.1 and 4.3(B) of the Ohio Rules of Civil Procedure provides for service by the Clerk mailing the summons and complaint by certified mail. An attorney who attempts to effect service in this Court pursuant to the law of Ohio must comply with the following procedure:

(a) Plaintiff's attorney shall address the envelope to the person to be served, shall enter as the return address the address of the issuing location for The Office of the Clerk, and shall place a copy of the summons and complaint or other document to be served in the envelope. Plaintiff's attorney shall also affix to the back of the envelope the domestic return receipt card, PS Form 3811, July 1983, (the "green card") showing the Name of Sender as "Clerk, United States District Court, Northern District of Ohio" at the appropriate address with the certified mail number affixed to the front of the envelope. The instructions to the delivering postal employee shall require the employee to show to whom delivered, date of delivery, and address where delivered. Plaintiff's attorney shall affix adequate postage to the envelope and deliver it to the Clerk who shall cause it to be mailed.

(b) The Clerk shall enter the fact of mailing on the appearance docket and make a similar entry when the return receipt is received. If the envelope is returned with an endorsement showing failure of delivery, the Clerk should forthwith notify, by mail, the attorney of record or if there is no attorney of record, the party at whose instance process was issued. The Clerk shall enter the fact of notification on the appearance docket and shall file the return receipt or returned envelope in the records of the action. (Rule 4.1, Ohio Rules of Civil Procedure.)

(c) If service of process is refused or was unclaimed, the Clerk shall forthwith notify, by mail, the attorney of record or if there is no attorney of record, the party at whose instance process was issued. If the attorney, or serving party, after notification by the Clerk, files with the Clerk a written request for ordinary mail service, accompanied by an envelope containing the summons and complaint or other document to be served, with adequate postage affixed to the envelope, the Clerk shall send the envelope to the defendant at the address set forth in the caption of the complaint, or at the address set forth in written instructions to the Clerk. The attorney or party at whose instance the mailing is sent shall also prepare for the Clerk's use a certificate of mailing which shall be signed by the Clerk or a Deputy Clerk and filed at the time of mailing. The attorney or party at whose instance the mailing is sent shall also endorse the answer day (23 days after the date of mailing shown on the certificate of mailing) on the summons sent by ordinary mail.

If the ordinary mail is returned undelivered, the Clerk shall forthwith notify the attorney, or serving party, by mail.

The attorney of record or the serving party shall be responsible for determining if service has been made under the provisions of Rule 4 of the Ohio Rules of Civil Procedure and this Local Rule.

Local Civil Rules -- Northern District of Ohio

This Local Rule is confined to the domestic service of the summons and complaint in a civil action in this Court by certified mail or ordinary mail, pursuant to the law of Ohio, and is not intended to affect the procedure for other methods of service permitted by the Fed. R. Civ. P. or the Ohio Rules of Civil Procedure.

Local Civil Rules -- Northern District of Ohio

Rule 5.1 Filing by Facsimile or Electronic Means

(a) The Clerk's Office will not accept any facsimile transmission unless ordered by the Court.

(b) Pursuant to Fed. R. Civ. P. 5(e), the Clerk's Office will accept papers filed, signed, or verified by electronic means that are consistent with technical standards, if any, that the Judicial Conference of the United States establishes. A paper filed by electronic means in compliance with this Rule constitutes a written paper for the purposes of applying these Rules and the Federal Rules of Civil Procedure. All electronic filings shall be governed by the Court's Electronic Filing Policies and Procedures Manual and orders of the Court. (See Appendix B.)

(c) At any time during the pendency of a case, the presiding judicial officer may require, absent a showing of good cause, that parties file documents electronically using the Court's Case Management / Electronic Case Files (CM/ECF) system. The Court may also order that all cases of a particular type or description be filed electronically, absent a showing of good cause.

Local Civil Rules -- Northern District of Ohio

Rule 5.2 Filing Documents Under Seal

No document will be accepted for filing under seal unless a statute, court rule, or prior court order authorizes the filing of sealed documents. If no statute, rule, or prior order authorizes filing under seal, the document will not be filed under seal.

Materials presented as sealed documents shall be in an envelope which shows the citation of the statute or rule or the filing date of the court order authorizing the sealing, and the name, address and telephone number of the person filing the documents.

If the sealing of the document purports to be authorized by court order, the person filing the documents shall include a copy of the order in the envelope. If the order does not authorize the filing under seal, or if no order is provided, the Clerk will unseal the documents before filing them. Before unsealing the documents, the Clerk will notify the person whose name and telephone number appears on the envelope in person (if he or she is present at the time of filing) or by telephone. The filer may withdraw the documents before 4:00 p.m. the day the Clerk notifies him or her of the defect. If not withdrawn, the documents will be unsealed and filed.

New cases submitted for filing without a signed sealing order will be assigned a new case number, District Judge and Magistrate Judge. The Clerk, without further processing, will send the file to the assigned District Judge for a sealing order. If a sealing order is signed, the Clerk will enter as much information as is permitted by the sealing order into the system to open and identify the case.

Thirty days after the termination of the case or any appeal, whichever is later, sealed documents and cases will be unsealed pursuant to court order, unless either a motion to continue the seal for a specified period of time or a motion to withdraw the documents is filed and granted by the Court.

**CHAPTER III
PLEADINGS AND MOTIONS**

Rule 7.1 Motions

(a) **Motions Governed by Case Management Plan.** All motions are governed by the Case Management Plan adopted pursuant to the Civil Justice Reform Act of 1990.

(b) **Motions to be in Writing.** All motions, unless made during a hearing or trial, must be in writing and must be made sufficiently in advance of the trial to avoid any delay in trial.

(c) **Memorandum by Moving Party.** The moving party must serve and file with its motion a memorandum of the points and authorities on which it relies in support of the motion.

(d) **Memorandum in Opposition.** Unless otherwise ordered by the Judicial Officer, each party opposing a motion must serve and file a memorandum in opposition within thirty (30) days after service of any dispositive motion and within fourteen (14) days after service of any non-dispositive motion. If a party opposing a motion was served with the motion under Fed. R. Civ. P. 5(b)(2)(B), (C), or (D), three days shall be added to the prescribed period as provided in Fed. R. Civ. P. 6(e).

(e) **Reply Memorandum.** Unless otherwise ordered by the Judicial Officer, the moving party may serve and file a reply memorandum in support of any dispositive motion within ten (10) days after service of the memorandum in opposition and in support of any non-dispositive motion within seven (7) days after service of the memorandum in opposition, excluding intermediate Saturdays, Sundays, and legal holidays. If the moving party was served with the memorandum in opposition under Fed. R. Civ. P. 5(b)(2)(B), (C), or (D), three days shall be added to the prescribed period as provided in Fed. R. Civ. P. 6(e).

(f) **Length of Memoranda.** Without prior approval of the Judicial Officer for good cause shown, memoranda relating to dispositive motions must not exceed ten (10) pages in length for expedited cases, twenty (20) pages for administrative, standard and unassigned cases, thirty (30) pages for complex cases, and forty (40) pages for mass tort cases. Every memorandum related to a dispositive motion must be accompanied by a certification specifying the track, if any, to which the case has been assigned and a statement certifying that the memorandum adheres to the page limitations set forth in this section. In the event that the page limitations have been modified by order of the Judicial Officer, a statement to that effect must be included in the certification along with a statement that the memorandum complies with those modifications. Failure to comply with these provisions may be sanctionable at the discretion of the Judicial Officer. Memoranda relating to all other motions must not exceed fifteen (15) pages in length. All memoranda exceeding fifteen (15) pages in length, excepting those in Social Security reviews, must have a table of contents, a table of authorities cited, a brief statement of the issue(s) to be decided, and a summary of the argument presented. Appendices of evidentiary, statutory or other materials are excluded from these page limitations and may be bound separately from memoranda.

(g) **Hearings.** The Judicial Officer may rule on unopposed motions without hearing at any time after the time for filing an opposition has expired. The Judicial Officer may also rule on any opposed motion without hearing at any time after the time for filing a reply memorandum has elapsed.

Local Civil Rules -- Northern District of Ohio

(h) **Untimely Motions.** Any motion (other than motions made during hearings or at trial) served and filed beyond the motion deadline established by the Court may be denied solely on the basis of the untimely filing.

(i) **Sanctions for Filing Frivolous Motions or Oppositions.** Filing a frivolous motion or opposing a motion on frivolous grounds may result in the imposition of appropriate sanctions including the assessment of costs and attorneys' fees against counsel and/or the party involved.

(j) **Motions Control Program.** Pursuant to a motion adopted by the Sixth Circuit Judicial Council at its November 1, 1993 meeting which authorized the chief judge of each district to monitor the motions docket within the district and to implement a motions control program, the Court adopted the Motions Control Program for the Northern District of Ohio set forth in General Order No. 94-01 (see Appendix H)

Rule 8.1 General Rules of Pleading

(a) In compliance with the policy of the Judicial Conference of the United States, and the E-Government Act of 2002, and in order to promote electronic access to case files while also protecting personal privacy and other legitimate interests, parties shall refrain from including, or shall partially redact where inclusion is necessary, the following personal data identifiers from all documents filed with the Court, including exhibits thereto, whether filed electronically or on paper, unless otherwise ordered by the Court.

(1) **Social Security numbers.** If an individual's Social Security number must be included in a document, only the last four digits of that number should be used.

(2) **Names of minor children.** If the involvement of a minor child must be mentioned, only the initials of that child should be used.

(3) **Dates of birth.** If an individual's date of birth must be included in a document, only the year should be used.

(4) **Financial account numbers.** If financial account numbers are relevant, only the last four digits of these numbers should be in the document used.

(b) In compliance with the E-Government Act of 2002, a party wishing to file a document containing the personal data identifiers listed above may

(1) file a redacted document in the public record and file a reference list under seal. The reference list shall contain the complete personal data identifier(s) and the redacted identifier(s) used in its(their) place in the filing. All references in the case to the redacted identifiers included in the reference list will be construed to refer to the corresponding complete personal data identifier. The reference list must be filed under seal, and may be amended as of right, or

(2) file an unredacted version of the document under seal.

(c) The unredacted version of the document or the reference list shall be retained by the Court as part of the record. The Court may, however, still require the party to file a redacted copy for the public file.

The responsibility for redacting these personal identifiers rests solely with counsel and the parties. The Clerk will not review each document for compliance with this rule.

(d) Exceptions: Transcripts of the administrative record in social security proceedings and state court records relating to habeas corpus petitions will be exempt from these redaction provisions because those documents will not be made available online.

Rule 9.1 Social Security and Black Lung Cases

In civil cases filed pursuant to section 205(g) of the Social Security Act, 42 U.S.C. § 405(g), for benefits under Titles II, XVI, and XVIII of the Social Security Act, or under Part B, Title IV of the Federal Coal Mine Health and Safety Act of 1969, in addition to what is required under Fed. This disclosure must be made at the time of and with service of summons and complaint, regardless of how service is perfected, unless a different time is set by stipulation or court order. Each page shall be numbered consecutively.

Only the original shall be filed. No duplicate of any document shall be accepted by the Clerk of Court, except upon written order of the Judicial Officer assigned to the case.

In instances wherein documents are being filed in consolidated or related cases, an additional copy shall be filed for each case number stated in the case caption. Rule 16.1 Differentiated Case Management

(a) **Purpose and Authority.** The United States District Court for the Northern District of Ohio ("Northern District") adopts Local Rules 16.1 to 16.3 in compliance with the mandate of the United States Congress as expressed in the Civil Justice Reform Act of 1990 ("CJRA" or "Act"). These Rules are intended to implement the procedures necessary for the establishment of a differentiated case management ("DCM") system.

The Northern District has been designated as a DCM "Demonstration District." The DCM system adopted by the Court is intended to permit the Court to manage its civil docket in the most effective and efficient manner, to reduce costs and to avoid unnecessary delay, without compromising the independence or the authority of either the judicial system or the individual Judicial Officer. The underlying principle of the DCM system is to make access to a fair and efficient court system available and affordable to all citizens.

(b) Definitions.

(1) "Differentiated case management" ("DCM") is a system providing for management of cases based on case characteristics. This system is marked by the following features: the Court reviews and screens civil case filings and channels cases to processing "tracks" which provide an appropriate level of judicial, staff, and attorney attention; civil cases having similar characteristics are identified, grouped, and assigned to designated tracks; each track employs a case management plan tailored to the general requirements of similarly situated cases; and provision is made for the initial track assignment to be adjusted to meet the special needs of any particular case.

(2) "Case Management Conference" is the conference conducted by the Judicial Officer where track assignment, Alternative Dispute Resolution ("ADR"), and discovery are discussed and where discovery and motion deadlines, deadlines for amending pleadings and adding parties, and the date of the Status Conference are set. Such conference shall, as a general rule, be conducted no later than thirty (30) days after the date of the filing of the last permissible responsive pleading, or the date upon which such pleading should have been filed, but not later than ninety (90) days from the date counsel for the defendant(s) has entered notice of appearance, regardless of whether a responsive pleading has been filed by that date.

The Court may, upon motion for good cause shown or *sua sponte*, order the conference to be held before such general time frame. Unless otherwise ordered, no Case Management Conference shall be held in any action in which the sole plaintiff or defendant is incarcerated and is appearing pro se.

(3) "Status Conference" is the mandatory hearing which is held approximately midway between the date of the Case Management Conference and the discovery cut-off date.

(4) "Case Management Plan" ("CMP") is the plan adopted by the Judicial Officer at the Case Management Conference and shall include the determination of track assignment, whether the case is suitable for reference to an ADR program, the type and extent of discovery, the setting of a discovery cut-off date, directions regarding the filing of discovery materials, deadline for filing motions, deadlines for amending pleadings and adding parties, and the date of the Status Conference.

(5) "Dispositive Motions" shall mean motions to dismiss pursuant to Fed. R. Civ. P. 12(b), motions for judgment on the pleadings pursuant to Fed. R. Civ. P. 12(c), motions for summary judgment

Local Civil Rules -- Northern District of Ohio

pursuant to Fed. R. Civ. P. 56, or any other motion which, if granted, would result in the entry of judgment or dismissal, or would dispose of any claims or defenses, or would terminate the litigation.

(6) "Discovery cut-off" is that date by which all responses to written discovery shall be due according to the Federal Rules of Civil Procedure and by which all depositions shall be concluded. Counsel must initiate discovery requests and notice or subpoena depositions sufficiently in advance of the discovery cut-off date so as to comply with this rule, and discovery requests that seek responses or schedule depositions after the discovery cut-off are not enforceable except by order of the Court for good cause shown.

(c) **Date of DCM Application.** Local Rules 16.1 to 16.3 shall apply to all civil cases filed on or after January 1, 1992 and may be applied to civil cases filed before that date if the assigned Judge determines that inclusion in the DCM system is warranted and notifies the parties to that effect.

(d) **Conflicts with Other Rules.** In the event that Local Rules 16.1 to 16.3 conflict with other Local Rules adopted by the Northern District, Local Rules 16.1 to 16.3 shall prevail.

Local Civil Rules -- Northern District of Ohio

Rule 16.2 Tracks and Evaluation of Cases

(1) Evaluation and Assignment. The Court shall evaluate and screen each civil case in accordance with subsection (b) of this Local Rule, and then assign each case to one of the case management tracks described in subsection (a)(2).

(2) Case Management Tracks. There shall be five (5) case management tracks, as follows:

(A) Expedited - Cases on the Expedited Track should be completed within nine (9) months or less after filing.

(C) Complex -- Cases on the Complex Track should have the discovery cut-off established in the CMP and should have a case completion goal of no more than twenty-four (24) months.

(D) Administrative - Cases on the Administrative Track, except actions under 28 U.S.C. § 2254 and government collection cases in which no answer is filed, shall be referred by Court personnel directly to a Magistrate Judge for a report and recommendation. See Local Rule 72.2(b). Administrative Track cases shall be controlled by scheduling orders issued by the Judicial Officer.

Rule 16.3 Track Assignment and Case Management Conference

(a) Notice of Track Recommendation and Case Management Conference.

(1) The Court may issue a track recommendation to the parties in advance of the Case Management Conference, or may reserve such determination for the Case Management Conference. If the notice of Case Management Conference does not contain a track recommendation, counsel must confer to determine whether they can agree to a track recommendation, which shall be subject to the Judicial Officer's approval at the Case Management Conference. The track recommendation shall be made in accordance with the factors identified in Local Rule 16.2(b).

(2) In any action in which the defendant (or all defendants in any action with multiple defendants) is in default of answer, no track recommendation will be made and no Case Management Conference held so long as such default continues. In such a case the plaintiff shall go forward and seek default judgment within one hundred and twenty (120) days of perfection of service (or of sending of a request for a waiver of service under Fed. R. Civ. P. 4(d)), or show cause why the action should not be dismissed for want of prosecution. If such default occurs and the party/parties in default is/are thereafter granted leave to plead, issuance of a track recommendation and scheduling of the Case Management Conference shall proceed in accordance herewith, based upon the date set for the filing of the responsive pleading.

(b) Case Management Conference.

(1) The Judicial Officer shall conduct the Case Management Conference. Lead counsel of record must participate in the Conference and parties must attend unless, upon motion with good cause shown or upon its own motion, the Judicial Officer allows the parties to be available for telephonic communication. Counsel, upon good cause shown, may seek leave to participate by telephone.

(2) The agenda for the Conference shall include:

- (A) Determination of track assignment;
- (B) Determination of whether there is any impediment to putting the case in the Court's electronic filing system;
- (C) Determination of whether the case is suitable for reference to an ADR program;
- (D) Determination of whether the parties consent to the jurisdiction of a Magistrate Judge pursuant to 28 U.S.C. § 636(c);
- (E) Disclosure of information that may be subject to discovery, including key documents and witness identification;
- (F) Determination of the type and extent of discovery;
- (G) Setting of a discovery cut-off date;
- (H) Setting of a deadline for joining other parties and amending the pleadings;
- (I) Setting of deadline for filing motions; and
- (J) Setting the date of the Status Conference.

(3) Except in categories of proceedings exempted from initial disclosure under Fed. R. Civ. P. 26(a)(1)(E), the parties must confer before the Fed. R. Civ. P. 16(b) conference. In addition to discussing the items identified in Fed. R. Civ. P. 26(f), counsel for all parties are directed to engage in meaningful

Local Civil Rules -- Northern District of Ohio

discussions regarding any track recommendation issued by the Court and each of the other agenda items established by the Court. This discussion shall also be generally guided by the provisions of Fed. R. Civ. P. 26(f). The attorneys of record and all unrepresented parties that have appeared in the case are jointly responsible for arranging the conference. The parties must submit a report on their discussion at least seven days before the Fed. R. Civ. P. 16(b) conference. The Court shall provide forms to counsel for all parties for indicating the parties' positions regarding all such agenda items when it issues its track recommendation.

(4) At the conclusion of the Case Management Conference, the Judicial Officer shall prepare, file, and issue to the parties an order containing the Case Management Plan governing the litigation.

(c) Notification of Complex Litigation.

(1) Definitions.

(A) As used in this Rule, "Complex Litigation" has one or more of the following characteristics:

(i) it is related to one or more other cases;

(ii) it arises under the antitrust laws of the United States;

(iii) it involves more than five (5) real parties in interest;

(iv) it presents unusual or complex issues of fact;

(v) it involves problems which merit increased judicial supervision or special case management procedures.

(B) As used in this Rule, a "case" includes an action or a proceeding.

(C) As used in this Rule, a case is "related" to one or more other cases if:

(i) they involve the same parties and are based on the same or similar claims;

(ii) they involve the same property, transaction or event or the same series of transactions or events; or

(iii) they involve substantially the same facts.

Local Civil Rules -- Northern District of Ohio

(2) Notice Identifying Complex Litigation. An attorney who represents a party in Complex Litigation, as defined above, must, with the filing of the complaint, answer, motion, or other pleading, serve and file a statement which briefly describes the nature of the case, identifies by title and case number all other related case(s) filed in this and any other jurisdiction (federal or state) and identifies, where known, counsel for all other parties in the action who have not yet entered an appearance.

(3) Manual For Complex Litigation. Counsel for each of the parties receiving notice of a Case Management Conference must become familiar with the principles and suggestions contained in the most recent edition of the Manual for Complex Litigation.

(4) Case Management Conference. (See subsection (b)). In preparation for the Case Management Conference, at least seven (7) days prior to the date of the conference counsel for each party must file and serve a proposed agenda of the matters to be discussed at the conference. At the Case Management Conference, counsel for each party must be prepared to discuss preliminary views on the nature and dimensions of the litigation, the principal issues presented, the nature and extent of contemplated discovery, and the major procedural and substantive problems likely to be encountered in the management of the case. Coordination or consolidation with related litigation should be considered. Counsel should be prepared to suggest procedures and timetables for the efficient management of the case.

(5) Determination By Order Whether Case to be Treated as Complex Litigation. At the conclusion of the Case Management Conference, the Court shall prepare, file, and issue an order containing the Case Management Plan which shall set forth whether the case thereafter shall be treated as Complex Litigation pursuant to orders entered by the Court consistent with the principles and suggestions contained in MCL 2d. An order under this subdivision may be conditional and may be altered and amended as the litigation progresses.

(6) Subsequent Proceedings.

(A) Once the Court has determined by order that an action shall be treated as Complex Litigation, thereafter the Court shall take such actions and enter such orders as the Court deems appropriate for the just, expeditious and inexpensive resolution of the litigation. Measures should be taken to facilitate communication and coordination among counsel and with the Court.

(B) Throughout the pendency of a case which has been determined to be treated as Complex Litigation, counsel for the parties are encouraged to submit suggestions and plans designed to clarify, narrow and resolve the issues and to move the case as efficiently and expeditiously as possible to a fair resolution.

(d) Status Conference. The parties, each of whom will have settlement authority, and lead counsel of record must participate in the Status Conference. The parties must participate in person unless, upon motion with good cause shown or upon its own motion, the Judicial Officer allows the parties to be available for telephonic communication. Counsel, upon good cause shown, may seek leave to participate by telephone. When the United States of America or any officer or agency thereof is a party, the federal attorney responsible for the case shall be deemed the authorized representative for the purpose of the Status Conference. At the Status Conference the Judicial Officer will:

Local Civil Rules -- Northern District of Ohio

- (1) review and address:
 - (A) settlement and ADR possibilities;
 - (B) any request for revision of track assignment and/or of the discovery cut-off or motion deadlines; and
 - (C) any special problems which may exist in the case;
- (2) assign a Final Pretrial Conference date, if appropriate; and
- (3) set a firm trial date.

If, for any reason, the assigned Judicial Officer is unable to hear the case within one week of its assigned trial date, the case shall be referred to the Chief Judge for reassignment to any available District Judge or, upon consent of the parties, Magistrate Judge for prompt trial.

(e) Final Pretrial Conference. A Final Pretrial Conference, if any, may be scheduled by the Judicial Officer at the Status Conference. The parties and lead counsel of record must be present at the conference. When the United States of America or any officer or agency thereof is a party, the federal attorney responsible for the case shall be deemed the authorized representative for the purpose of the Final Pretrial Conference. The Final Pretrial Conference shall be scheduled as close to the time of trial as reasonable under the circumstances. The Judicial Officer may, in the Judicial Officer's discretion, order the submission of pretrial memoranda.

(f) Video and Telephone Conferences. The use of telephone conference calls and, where appropriate, video conferencing for pretrial and status conferences is encouraged. The Court, upon motion by counsel or its own instance, may order pretrial and status conferences to be conducted by telephone conference calls. In addition, upon motion by any party and upon such terms as the Court may direct, the Court may enter an order in appropriate cases providing for the conduct of pretrial and status conferences by video conference equipment.

Local Civil Rules -- Northern District of Ohio

Rule 16.4 Alternative Dispute Resolution

(a) **Purpose.** The Court adopts Local Rules 16.4 to 16.10 to make available to the Court and the parties a broad program of court-annexed dispute resolution processes designed to provide quicker, less expensive, and generally more satisfying alternatives to continuing litigation.

It is not contemplated that all of these processes--early neutral evaluation, mediation, arbitration, summary jury trial, and summary bench trial--will be suitable for every case. Rather, the Judges of the Court believe that the careful selection of processes to fit the cases will result in the efficient preparation and resolution of those cases, to the benefit of the parties, their counsel, and the Court.

(b) Definitions.

(1) "Arbitration" is an adjudicative process by which a neutral person or persons (the arbitrator(s)) decide the rights and obligations of parties. The arbitration process described in Local Rule 16.7 is court-annexed, in that it is arranged and administered by the Court. It is also consensual, in that the parties consent to participate, and non-binding.

(2) The "assigned Judge" is the Judge to whom the case is assigned. If the Judge has referred the matter to a Magistrate Judge, the Magistrate Judge is the assigned Judge under Local Rules 16.4 to 16.10 with respect to actions or decisions which are to be made by the assigned Judge.

(3) "Early Neutral Evaluation" ("E.N.E.") is a pre-trial process involving a neutral evaluator who meets with the parties early in the course of the litigation to help them focus on the issues, organize discovery, work expeditiously to prepare the case for trial, and, if possible, settle all or part of the case. The neutral evaluator provides the parties with an evaluation of the legal and factual issues, to the extent possible, at that early stage of the case.

(4) "Mediation" is a non-binding settlement process involving a neutral mediator who helps the parties to overcome obstacles to effective negotiation. The mediation process described in Local Rule 16.6 is court-annexed.

(5) "Summary Jury Trial" is a court-annexed, non-binding process in which the parties briefly present their case to a jury with a Judicial Officer presiding and then use the decision of the jury and information about the jurors' reaction to the legal and factual arguments as an aid to settlement negotiations.

(6) "Summary Bench Trial" is a court-annexed pretrial procedure intended to facilitate settlement consisting of a summarized presentation of a case to a Judicial Officer whose decision and subsequent factual and legal analysis serves as an aid to settlement negotiations.

(c) **The ADR Administrator.** The "ADR Administrator" is the person appointed by the Court with full authority and responsibility to direct the programs described in this Section. The ADR Administrator shall be a person with training and experience in the administration of ADR Programs. The ADR Administrator shall:

- (1) Administer the selection, training, and use of the Federal Court Panel;

Local Civil Rules -- Northern District of Ohio

(2) Collect and maintain biographical data with respect to members of the Federal Court Panel to permit assignments commensurate with the experience, training, and expertise of the panelists and make the list of panelists and the biographical data available to parties and counsel;

(3) Prepare applications for funding of the ADR Program by the United States government and other parties;

(4) Prepare reports required by the United States government or other parties with respect to the use of funds in the operation and evaluation of the program;

(5) Develop and maintain such forms, records, docket control, and data as may be necessary to administer and evaluate the program;

(6) Periodically evaluate, or arrange for outside evaluation of, the ADR Program and report on that evaluation to the Court, making recommendations for changes in these Rules, if needed; and

(7) Develop, and make available upon request, lists of private or extra-judicial ADR providers.

Decisions of the ADR Administrator, acting within the authority conferred in these Rules, shall be orders of the Court for purposes of enforcement and sanctions.

(d) Federal Court Panel. There is hereby authorized the establishment of a Federal Court Panel consisting of persons who, by experience, training, and character, are qualified to act as evaluators, mediators, arbitrators, or other neutrals in one or more of the processes provided for in these Rules.

(1) Appointment to the Panel. The Federal Court Panel shall consist of persons nominated by the Court's Advisory Group and confirmed by the Judges of the Court.

(2) Qualifications and Training.

(A) Panelists shall be lawyers who have been admitted to the practice of law for at least five (5) years and are currently either members of the bar of the United States District Court for the Northern District of Ohio or members of the faculty of an accredited Ohio law school. The Court may waive these requirements to appoint other qualified persons with special expertise in particular substantive fields or experience in dispute resolution processes.

(B) All persons selected as panelists shall:

(i) Undergo such dispute resolution training as the Court may prescribe;

(ii) Take the oath set forth in 28 U.S.C. § 453; and

(iii) Agree to follow the provisions of these Rules.

Each person shall be appointed as a Federal Court Panelist for a period of three (3) years. Appointment may be renewed upon a demonstration of continued qualification.

(3) Compensation of Panelists.

Local Civil Rules -- Northern District of Ohio

(A) Mediators and evaluators shall receive no compensation for the first four and one half (4 1/2) hours of services which is to begin when the Mediator or Evaluator meets with the parties for the initial mediation conference or initial evaluation session. Preparation time by the Mediator or Evaluator for the respective ADR proceeding shall not be included in the first four and one half (4 1/2) hours of service.

Once the initial four and one half (4 1/2) hours of service have been provided by the Mediator or Evaluator, the parties shall be equally responsible for the Panelist's compensation at the rate of \$150 per hour. A compensation schedule for arbitrators shall be published by the Court.

(B) No panelist may be assigned in one calendar year to more than one case which falls within the Complex Case Track (See Local Rule 16.2 and 16.3(c)), nor to a total of more than five (5) cases, without the consent of the panelist.

(e) **Referral to ADR.** Parties are encouraged to use the provisions of these Rules regarding ADR, and the Judicial Officer shall direct the parties to an appropriate ADR program when, in the judgment of the Judicial Officer, such referral is warranted. In the event it is a case referred to a Magistrate Judge for case management only, any reference to ADR may be made only with the approval of the District Judge to whom the case was assigned. ADR hearing dates shall not be modified without leave of Court.

Local Civil Rules -- Northern District of Ohio

Rule 16.5 Early Neutral Evaluation (E.N.E.)

(a) **Eligible Cases.** Any civil case may be referred to E.N.E.

(b) **Selection of Cases.** A case may be selected for E.N.E.:

(1) By the Court at the Case Management Conference (See Local Rule 16.1(b)(2)); or

(2) At any time:

(A) By the Court on its own motion;

(B) By the Court, on the motion of one of the parties; or

(C) By stipulation of all parties.

(c) **Administrative Procedure.**

(1) Upon notice that a case has been referred to E.N.E., the ADR Administrator will promptly provide the parties with a Notice of Referral, listing of available neutrals selected from the Federal Court Panel who are qualified to deal with the subject matter of the lawsuit. The parties shall confer with each other within ten (10) days after receiving the written Notice of Referral and provide the ADR Administrator with an agreed list of three proposed evaluators, ranked in order of preference. In the event of multiple parties not united in interest, the parties shall add the name of one proposed evaluator for each such additional party.

If the parties fail to provide the ADR Administrator with an agreed list of three proposed evaluators, or additional proposed evaluator(s) when there are multiple parties not united in interest, the ADR Administrator shall select from the list of available neutrals provided to the parties an evaluator who is qualified to deal with the subject matter of the lawsuit. The ADR Administrator shall make a preliminary determination that the proposed evaluator has no conflicts of interest and that the proposed evaluator can serve.

Nothing in this Rule shall limit the right of the parties, with consent of the Court, to select a person of their own choosing to act as an evaluator hereunder.

(2) The ADR Administrator shall contact the proposed evaluator(s), in the order of preference provided by the parties, concerning potential conflicts of interest and scheduling. Once a determination has been made that a proposed evaluator can serve, the ADR Administrator shall provide written Notice of Designation (which shall include the name, address and telephone number of the Evaluator) to counsel for all parties (or to parties not yet represented by counsel) and to the Evaluator. If, after Notice of Designation is given or sent, a new party is joined in the action, the ADR Administrator shall promptly send that new party a copy of the Notice of Designation.

Local Civil Rules -- Northern District of Ohio

(3) Promptly after receiving the Notice of Designation, the Evaluator shall schedule the evaluation session which, unless otherwise ordered by the Court, shall be not more than thirty (30) days from the date of the written Notice of Designation. The Evaluator shall send written notice to all parties and to the ADR Administrator advising them as to the date, time and location of the evaluation session.

(4) A request the parties for postponement of a scheduled evaluation session must be presented in writing to the ADR Administrator, and not to the Evaluator.

(d) Neutrality of Evaluator. If at any time the Evaluator becomes aware of or a party raises an issue with respect to the Evaluator's neutrality because of some interest in the case or because of a relationship or affiliation with one of the parties, the Evaluator shall disclose the facts with respect to the issue to all of the parties. If a party requests that the Evaluator withdraw because of the facts so disclosed, the Evaluator may withdraw and request that the ADR Administrator appoint another evaluator. If the Evaluator determines that withdrawal is not warranted, the Evaluator may elect to continue. The objecting party may then request the ADR Administrator to remove the Evaluator. The ADR Administrator may remove the Evaluator and choose another from the Federal Court Panel. If the ADR Administrator decides that the objection is unwarranted, the evaluation session shall proceed as scheduled, or, if delay was necessary, as soon after the scheduled date as possible.

(e) Written Submissions to the Evaluator.

(1) No later than five (5) days before the evaluation session, each party shall submit to the Evaluator and serve on all other parties a written evaluation statement. The statement shall not exceed ten (10) pages and shall conform to this Rule. The statement shall:

(A) Identify the person, in addition to counsel, who will attend the session as a representative of the party with decision making authority;

(B) Identify any legal or factual issues whose early resolution might reduce the scope of the dispute or contribute to settlement;

(C) Describe discovery which is contemplated; and,

(D) Include as exhibits copies of all pleadings filed by the party submitting the written statement.

The statement may include any other information the party believes useful in preparing the Evaluator and other parties for a productive session. The statement may identify individuals connected to another person (including a representative of an insurer) whose presence would be helpful or necessary to make the session productive. The Evaluator shall determine whether any person so identified should be requested to attend and may make such request.

(2) Written evaluation statements shall not be filed and shall not be shown to the Court.

(3) In addition to submitting the written evaluation statement, the parties shall prepare to respond fully and candidly in a private caucus to questions by the Evaluator concerning:

Local Civil Rules -- Northern District of Ohio

- (A) The estimated costs to that party of litigating the case through trial, including legal fees;
- (B) Witnesses (both lay witnesses and experts);
- (C) Damages, including the method of computation and the proof to be offered; and
- (D) Plans for discovery.

(f) Attendance at the Evaluation Conference.

(1) All parties shall be present, except that when a party is other than an individual or when a party's interests are being represented by an insurance company, an authorized representative of such party or insurance company, with full authority to act and to settle, shall attend. Willful failure of a party to attend the evaluation conference shall be reported by the Evaluator to the ADR Administrator for transmittal to the assigned Judge, who may impose appropriate sanctions.

(2) Each party shall be represented at the session by the attorney expected to be primarily responsible for handling the trial of the case.

(g) Procedure at Evaluation Conferences.

(1) Each E.N.E. conference shall be informal. The Evaluator shall conduct the process in order to help the parties to focus the issues and to work efficiently and expeditiously to make the case ready for trial or settlement.

(2) At the initial conference, and at additional conferences as the Evaluator deems appropriate, the Evaluator shall:

- (A) Permit each party to make a brief oral presentation of its position, without interruption, through counsel or otherwise;
- (B) Help the parties to identify areas of agreement and, if feasible, enter stipulations;
- (C) Determine whether the parties wish to negotiate, with or without the Evaluator's assistance, before evaluation of the case;
- (D) Help the parties identify issues and assess the relative strengths and weaknesses of the parties' positions;
- (E) Help the parties to agree on a plan for exchanging information and conducting discovery which will enable them to prepare expeditiously for the resolution of the case by trial, settlement, or dispositive motion;
- (F) Help the parties to assess litigation costs realistically;

Local Civil Rules -- Northern District of Ohio

(G) Determine whether one or more additional conferences would assist in the settlement or case development process and, if so, schedule the conference and direct the parties to prepare and submit any additional written materials needed for the conference;

(H) At the final conference (which may be the initial conference), give an evaluation of the strengths and weaknesses of each party's case and of the probable outcome if the case is tried, including, if feasible, the dollar value of each claim and counterclaim;

(I) Advise the parties, if appropriate, about the availability of ADR processes that might assist in resolving the dispute; and

(J) Report to the ADR Administrator in writing within ten (10) days of the close of the E.N.E. conference: the fact that the E.N.E. process was completed, any agreements reached by the parties, and the Evaluator's recommendation, if any, as to future ADR processes that might assist in resolving the dispute.

(3) The Evaluator may, subject to the requirements stated in this Rule:

(A) Determine how to structure the evaluation conference;

(B) Hold separate, private caucuses with any party or counsel but may not, without the consent of that party or counsel, disclose the contents of that discussion to any other party or counsel; and

(C) Act as a mediator or otherwise assist in settlement negotiations either before or after presenting the evaluation called for in subsection (g)(2)(H) of this Rule.

(h) Confidentiality. The entire E.N.E. process is confidential. The parties and the Evaluator shall not disclose information regarding the process, including settlement terms, to the Court or to third persons unless all parties otherwise agree. Parties, counsel, and evaluators may, however, respond to confidential inquiries or surveys by persons authorized by the Court to evaluate the E.N.E. program. Information provided in such inquiries or surveys shall remain confidential and shall not be identified with particular cases.

The E.N.E. process shall be treated as a compromise negotiation for purposes of the Federal Rules of Evidence and state rules of evidence. The Evaluator is disqualified as a witness, consultant, attorney, or expert in any pending or future action relating to the dispute, including actions between persons not parties to the E.N.E. process.

Rule 16.6 Mediation

(a) **Eligible Cases.** Any civil case may be referred to mediation.

(b) **Selection of Cases.**

(1) **When Selected.** A case may be selected for mediation:

(A) When the status of discovery is such that the parties are generally aware of the strengths and weaknesses of the case; or

(B) At any earlier time by agreement of the parties and with the approval of the Court.

(2) **How Selected.** A case may be selected for mediation:

(A) By the Court on its own motion;

(B) By the Court, on motion of one of the parties; or

(C) By stipulation of all parties.

(3) **Objection to Mediation.**

(A) For good cause, a party may object to the referral to mediation by the Court on its own motion by filing a written request for reconsideration within ten (10) days of the date of the Court's order.

(B) Mediation processes shall be stayed pending decision on the request for reconsideration, unless otherwise ordered by the Court.

(4) **Arbitration.** If all parties advise the Court that they would prefer court-annexed arbitration to mediation, the Court may order the case to arbitration under Local Rule 16.7.

(5) **Private ADR.** If all parties advise the Court that they would prefer to use a private ADR process (including private arbitration or mini-trial), the Court may permit them to do so at the expense of the parties, subject to:

(A) The submission to the Court of an agreement, executed by the parties, providing for the conduct of the ADR process;

(B) The filing with the Court, within ten (10) days of the completion of the ADR process, of a written report signed by the neutral or by the parties if no neutral was used.

(c) **Administrative Procedure.**

(1) Upon notice that a case has been referred to Mediation, the ADR Administrator will promptly provide the parties with a Notice of Referral, listing of available neutrals selected from the

Local Civil Rules -- Northern District of Ohio

Federal Court Panel who are qualified to deal with the subject matter of the lawsuit. The parties shall confer with each other within ten (10) days after receiving the written Notice of Referral and provide the ADR Administrator with an agreed list of three proposed mediators, ranked in order of preference. In the event of multiple parties not united in interest, the parties shall add the name of one proposed mediator for each such additional party.

If the parties fail to provide the ADR Administrator with an agreed list of three proposed mediators, or additional proposed mediator(s) when there are multiple parties not united in interest, the ADR Administrator shall select from the list of available neutrals provided to the parties a mediator who is qualified to deal with the subject matter of the lawsuit. The ADR Administrator shall make a preliminary determination that the proposed mediator has no conflicts of interest and that the proposed mediator can serve.

Nothing in this Rule shall limit the right of the parties, with consent of the Court, to select a person of their own choosing to act as a mediator hereunder.

(2) The ADR Administrator shall contact the proposed mediator(s), in the order of preference provided by the parties, concerning potential conflicts of interest and scheduling. Once a determination has been made that a proposed mediator can serve, the ADR Administrator shall provide written Notice of Designation (which shall include the name, address and telephone number of the Mediator) to counsel for all parties (or to parties not yet represented by counsel) and to the Mediator. If, after Notice of Designation is given or sent, a new party is joined in the action, the ADR Administrator shall promptly send that new party a copy of the Notice of Designation.

(3) Promptly after receiving the Notice of Designation, the Mediator shall schedule the mediation conference which, unless otherwise ordered by the Court, shall not be more than thirty (30) days from the date of written Notice of Designation. The Mediator shall send written notice to all parties and to the ADR Administrator advising them as to the date, time and location of the mediation conference.

(4) A request by the parties for postponement of a scheduled mediation conference must be presented in writing to the ADR Administrator, and not to the Mediator.

(d) Neutrality of Mediator. If at any time the Mediator becomes aware of or a party raises an issue with respect to the Mediator's neutrality because of some interest in the case or because of a relationship or affiliation with one of the parties, the Mediator shall disclose the facts with respect to the issue to all of the parties. If a party requests that the Mediator withdraw because of the facts so disclosed, the Mediator may withdraw and request that the ADR Administrator appoint another mediator. If the Mediator determines that withdrawal is not warranted, the Mediator may elect to continue. The objecting party may then request the ADR Administrator to remove the Mediator. The ADR Administrator may remove the Mediator and choose another from the Federal Court Panel. If the ADR Administrator decides that the objection is unwarranted, the mediation conference shall proceed as scheduled or, if delay was necessary, as soon after the scheduled date as possible.

(e) Written Submissions to Mediator.

(1) At least five (5) days before the mediation conference, the parties shall submit to the Mediator:

Local Civil Rules -- Northern District of Ohio

(A) Copies of relevant pleadings and motions;

(B) A short memorandum stating the legal and factual positions of each party respecting the issues in dispute; and

(C) Such other material as each party believes would be beneficial to the Mediator.

(2) Upon reviewing such material, the Mediator may, at his or her own discretion or on the motion of a party, schedule a preliminary meeting with counsel.

(3) Written mediation memoranda shall not be filed and shall not be shown to the Court.

(f) Attendance at Mediation Conference. The attorney who is primarily responsible for each party's case shall personally attend the mediation conference and shall be prepared and authorized to discuss all relevant issues, including settlement. The parties shall also be present, except that when a party is other than an individual or when a party's interests are being represented by an insurance company, an authorized representative of such party or insurance company, with full authority to settle, shall attend. Willful failure of a party to attend the mediation conference shall be reported by the Mediator to the ADR Administrator for transmittal to the assigned Judge, who may impose appropriate sanctions.

(g) Procedure at Mediation Conference.

(1) The mediation conference, and such additional conferences as the Mediator deems appropriate, shall be informal. The Mediator shall conduct the process in order to assist the parties in arriving at a settlement of all or some of the issues involved in the case.

(2) The Mediator may hold separate, private caucuses with any party or counsel but may not, without the consent of that party or counsel, disclose the contents of that discussion to any other party or counsel.

(3) If the parties have failed, after reasonable efforts, to develop settlement terms, or if the parties request, the Mediator may submit to the parties a final settlement proposal which the Mediator believes to be fair. The parties will carefully consider such proposal and, at the request of the Mediator, will discuss the proposal with him or her. The Mediator may comment on questions of law at any appropriate time.

(4) The Mediator may conclude the process when:

(A) A settlement is reached; or

(B) The Mediator concludes, and informs the parties, that further efforts would not be useful.

(5) The Mediator shall report the results of the mediation to the ADR Administrator within ten (10) days of the close of the mediation conference.

(A) If a settlement agreement is reached, the Mediator, or one of the parties at the Mediator's request, shall prepare a written entry reflecting the settlement agreement, which

Local Civil Rules -- Northern District of Ohio

entry shall be signed by the parties and filed with the ADR Administrator for approval by the Court.

(B) If a settlement agreement is not reached, the Mediator shall report in writing to the ADR Administrator that mediation was held, any agreements reached by the parties, and the Mediator's recommendation, if any, as to future processing of the case.

(h) Confidentiality. The entire mediation process is confidential. The parties and the Mediator may not disclose information regarding the process, including settlement terms, to the Court or to third persons unless all parties otherwise agree. Parties, counsel, and mediators may, however, respond to confidential inquiries or surveys by persons authorized by the Court to evaluate the mediation program. Information provided in such inquiries or surveys shall remain confidential and shall not be identified with particular cases.

The mediation process shall be treated as a compromise negotiation for purposes of the Federal Rules of Evidence and state rules of evidence. The Mediator is disqualified as a witness, consultant, attorney, or expert in any pending or future action relating to the dispute, including actions between persons not parties to the mediation process.

Local Civil Rules -- Northern District of Ohio

Rule 16.7 Arbitration

(a) **Eligible Cases.** Any civil case may be referred to arbitration as authorized by 28 U.S.C. § 651, et seq.

(b) **Selection of Cases.**

(1) **When Selected.** A case may be selected for arbitration:

(A) By the Court at the Case Management Conference (See Local Rule 16.1(b)(2));
or

(B) At any time thereafter:

(i) By the Court on its own motion;

(ii) By the Court on motion of one of the parties; or

(iii) By stipulation of all parties.

(2) **Written Notice to Parties.** The ADR Administrator shall give or send prompt written notice of selection to all parties.

(3) **Relief from Selection.**

(A) At any time prior to the expiration of the twenty (20) days following the date shown on the written notice of selection, any party may decline to consent to arbitration under this Rule by filing a statement to that effect with the ADR Administrator. No person affiliated with the Court may attempt to coerce a party or attorney to consent to arbitration. If a party or attorney declines to consent, no Judge to whom the action is or may be assigned may be advised of the identity of that party or attorney. No party or attorney may be prejudiced for declining to participate in arbitration.

(B) The assigned Judge may, acting sua sponte or on motion by any party, exempt any case from arbitration if the objectives of arbitration would not be realized:

(i) Because the case involves complex or novel legal issues;

(ii) Because legal issues predominate over factual issues; or

(iii) For other good cause.

(C) In lieu of arbitration under this Rule, the parties to a civil action may elect private consensual arbitration under the Federal Arbitration Act (9 U.S.C. § 1, et seq.) and agree that the case be referred to binding arbitration. The order of referral shall specify the agreement of the parties with respect to the conduct of the arbitration and payment of the Arbitrator(s).

Local Civil Rules -- Northern District of Ohio

(c) **Administrative Procedure.**

(1) Selection of Arbitrators. When a case has been referred for arbitration, the ADR Administrator shall forthwith furnish to each party the names of five proposed arbitrators drawn at random from available neutrals on the Federal Court Panel. If there are multiple parties not united in interest on either side of the case, the ADR Administrator shall add the name of one proposed arbitrator for each additional party. The parties shall then confer for the purpose of selecting three arbitrators or, if the parties agree in writing, a single arbitrator, in the following manner:

(A) Each party shall be entitled to strike one name from the list, beginning with the first-named plaintiff to strike the first name, the first-named defendant(s) the next, and alternating between plaintiffs and defendants in the order named. If the parties have agreed to select a single arbitrator, the first-named plaintiff and the first-named defendant shall each strike an additional name until a single name remains.

(B) The parties shall submit to the ADR Administrator, within ten (10) days of receipt by them of the original list, the names of the three arbitrators or the name of the single arbitrator selected from the list by means of the process described in sub-section (A) above. In the event the parties fail to notify the ADR Administrator of the selection of arbitrator(s) within the time provided, the Clerk shall make the selection of arbitrator(s) at random from the original list of five names.

(C) The ADR Administrator shall promptly notify the person or persons of their selection. If any person so selected is unable or unwilling to serve, the process of selection under this Rule shall begin again to select another arbitrator for that position.

(2) Notification of Hearing. When the selected arbitrator(s) have agreed to serve, the ADR Administrator shall confer with them concerning potential conflicts of interest and shall thereafter promptly send written Notice of Designation to counsel for the parties and the Arbitrator(s):

(A) Promptly after receiving the Notice of Designation, the Arbitrator(s) shall schedule the arbitration hearing, which shall not be more than thirty (30) days from the date of the written Notice of Designation and not more than one hundred eighty (180) days from the date of the filing of the answer or the date of the filing of a reply to a counterclaim, and shall provide written notice to counsel for the parties and the ADR Administrator advising them as to the date, time and location of the arbitration hearing.

(3) Unless all parties consent, or unless the assigned Judge so orders for good cause, no arbitration hearing may commence until thirty (30) days after disposition by the assigned Judge of any motion to dismiss the complaint, motion for judgment on the pleadings, motion to join necessary parties, or motion for summary judgment.

(4) The Arbitrator(s) may, for good cause, grant one continuance for not more than thirty (30) days from the arbitration hearing date set in the written notice. No subsequent continuance may be granted except by the assigned Judge, for good cause.

Local Civil Rules -- Northern District of Ohio

(d) Neutrality of Arbitrator(s).

(1) No person shall serve as an arbitrator in an action in which any of the circumstances specified in 28 U.S.C. § 455 exist.

(2) If at any time an arbitrator becomes aware of or a party raises an issue with respect to the Arbitrator's neutrality because of some interest in the case or because of a relationship or affiliation with one of the parties or attorneys, the Arbitrator shall disclose the facts with respect to the issue to all of the parties. If a party requests that the Arbitrator withdraw because of the facts so disclosed, the Arbitrator may withdraw and request that the ADR Administrator appoint another arbitrator. If the Arbitrator determines that withdrawal is not warranted, the Arbitrator may elect to continue. The objecting party may then request the ADR Administrator to remove the Arbitrator. The ADR Administrator may remove the Arbitrator and choose another from the Federal Court Panel. If the ADR Administrator decides that the objection is unwarranted, the arbitration hearing shall proceed as scheduled or, if delay was necessary, as soon after the scheduled date as possible.

(e) Submissions to Arbitrator(s).

(1) At least five (5) days before the arbitration hearing, the parties shall submit to each arbitrator:

(A) A set of relevant pleadings; and

(B) A short memorandum by each party stating the legal and factual positions of the party, together with copies of the documentary exhibits the party intends to offer at the hearing.

(2) At least five (5) days before the arbitration hearing, each party shall deliver to the other party a copy of the memorandum and copies of the documentary exhibits provided to the Arbitrator(s), and each party shall make available any non-documentary exhibits for examination by the other party. If a party fails to deliver a copy of a documentary exhibit or to make available for examination a non-documentary exhibit as required, the Arbitrator(s) may refuse to receive the exhibit in evidence.

(f) Attendance at Arbitration Hearing.

(1) Each individual who is a party shall attend the hearing in person. When a party is other than an individual or when a party's interests are being represented by an insurance company, an authorized representative of the party or insurance company, with full authority to settle, shall attend.

(2) Absence of a party shall not be a ground for continuance. An award against an absent party shall be made only upon presentation of proof satisfactory to the Arbitrator(s).

(g) Procedure at Arbitration Hearing.

(1) Conduct of Hearing. The Arbitrator(s) may administer oaths and affirmations and all testimony shall be given under oath or affirmation. Each party shall have the right to cross-examine witnesses except as herein provided. In receiving evidence, the Arbitrator(s) shall be guided by the Federal Rules of Evidence, but shall not thereby be precluded from receiving evidence considered by

Local Civil Rules -- Northern District of Ohio

the Arbitrator(s) to be relevant and trustworthy and which is not privileged. Attendance of witnesses and production of documents may be compelled in accordance with Fed. R. Civ. P. 45.

(2) Transcript or Recording. A party may cause a transcript or recording to be made of the proceedings at the party's expense. Except as provided in subsection (i)(2) of this Rule, no transcript of the proceedings shall be admissible in evidence at any subsequent trial de novo.

(3) Place of Hearing. Arbitration hearings may be held at any location within the Northern District of Ohio selected by the Arbitrator(s). In making the selection, the Arbitrator(s) shall consider the convenience of the panel, the parties, and the witnesses.

(4) Time of Hearing. Unless the parties agree otherwise, hearings shall be held during normal business hours.

(5) Authority of Arbitrator(s). The Arbitrator(s) may make reasonable rules and issue orders necessary for the fair and efficient conduct of the hearing. Any two members of a panel shall constitute a quorum. The concurrence of a majority of the entire panel shall be required for any action or decision of the panel, unless the parties stipulate otherwise.

(6) Ex Parte Communication. There shall be no ex parte communication between an arbitrator and any counsel or party on any matter touching the action except for purposes of scheduling or continuing the hearing.

(h) Award and Judgment

(1) Filing of Award. The Arbitrator(s) shall file the award with the ADR Administrator promptly following the close of the hearing and in any event not more than ten (10) days following the close of the hearing. As soon as the award is filed, the ADR Administrator shall serve copies on the parties.

(2) Form of Award. The award shall state clearly and concisely the name or names of the prevailing party or parties and the party or parties against whom it is rendered, and the sum of money awarded, if any. The award shall specify which party is to pay the costs as provided in 28 U.S.C. § 1920 and whether interest is awarded. If interest is awarded, the award shall separately state the amount.

(3) Entry of Judgment on Award. Unless a party has filed a demand for trial de novo within the time stated in subsection (i)(1) of this Rule, the ADR Administrator shall enter judgment on the arbitration award in accordance with Fed. R. Civ. P. 58. A judgment so entered shall be subject to the same provisions of law and shall have the same force and effect as a judgment of the Court in a civil action, except that the judgment shall not be subject to review in any other court by appeal or otherwise.

(4) Sealing of Arbitration Awards. The content of any arbitration award made under this Rule shall not be made known to any Judge unless:

(A) The Court has entered final judgment or the action has been otherwise terminated; or

Local Civil Rules -- Northern District of Ohio

(B) The Judge needs the information for the purpose of preparing the report required by § 903(b) of the Judicial Improvements and Access to Justice Act.

(i) **Trial de Novo.**

(1) Right to Trial de Novo. Any party may demand a trial de novo in the district court by filing with the ADR Administrator a written demand containing a short and plain statement of the reasons for the demand. The party shall serve a copy upon all counsel of record and any unrepresented party. Such a demand must be filed and served within thirty (30) days after the date of filing of the arbitration award, except that the United States, its officers and agencies, shall have sixty (60) days to file and serve a written demand for a trial de novo. Upon the filing of a demand for a trial de novo the action shall be treated for all purposes as if it had not been referred to arbitration, except that no additional pretrial discovery shall be permitted without leave of court, for good cause. Any right of trial by jury that a party would otherwise have shall be preserved inviolate. Withdrawal of a demand for a trial de novo shall reinstate the Arbitrator's award.

(2) Limitation on Admission of Evidence. The assigned Judge shall not admit at the trial de novo any evidence that there has been an arbitration proceeding, the nature or amount of any award, or any other matter concerning the conduct of the arbitration proceeding, unless:

(A) The evidence would otherwise be admissible under the Federal Rules of Evidence; or

(B) The parties have otherwise stipulated.

Local Civil Rules -- Northern District of Ohio

Rule 16.8 Summary Jury Trial

(a) **Eligible Cases.** Any civil case triable to a jury may be assigned for summary jury trial.

(b) **Selection of Cases.** A case may be selected for summary jury trial:

(1) By the Court at the Case Management Conference. (See Local Rule 16.1(b)(2)); or

(2) At any time:

(A) By the Court on its own motion;

(B) By the Court, on the motion of one of the parties; or

(C) By stipulation of all parties.

(c) **Procedural Considerations.** Summary jury trial is a flexible ADR process. The procedures to be followed should be determined in advance by the assigned Judge in light of the circumstances of the case. The following matters should be considered by the assigned Judge and counsel in structuring a summary jury trial:

(1) **Scheduling.** Ordinarily a case should be set for summary jury trial when discovery is substantially completed and conventional pretrial negotiations have failed to achieve settlement. In some cases, settlement prospects may be advanced by setting the case for an early summary jury trial. To facilitate an early summary jury trial, limited and expedited discovery should be obtained to accommodate earlier settlement potential. The summary jury trial should usually precede the trial by approximately sixty (60) days.

(2) **Presiding Judge.** The summary jury trial shall be conducted by the District Judge or Magistrate Judge to whom the case is assigned or referred.

(3) **Submission of Written Materials.** It is generally advantageous to have various materials submitted to the Court before the summary jury trial begins. These could include a statement of the case, stipulations, exhibits, and proposed jury instructions.

(4) **Attendance.** Each individual who is a party shall attend the summary jury trial in person. When a party is other than an individual or when a party's interests are being represented by an insurance company, an authorized representative of the party or insurance company, with full authority to settle, shall attend.

(5) **Size of Jury Panel.** Usually the jury shall consist of six (6) jurors. To accommodate case concerns, the size of the jury panel may vary. Because the summary jury trial is usually concluded in a day or less, the Presiding Judge may choose to use the challenged or unused panel members as a second jury. This procedure can provide the Court and counsel with additional juror reaction.

(6) **Voir Dire.** Parties should ordinarily be permitted some limited voir dire. Whether challenges are to be allowed ought to be determined in advance.

Local Civil Rules -- Northern District of Ohio

(7) Opening Statements. It is helpful if each party has a chance to make a brief opening statement to help put the case into perspective. It may be possible to combine voir dire and the opening statement into one procedure, and fifteen (15) minutes may be sufficient time for each party.

(8) Transcript or Recording. A party may cause a transcript or recording to be made of the proceedings at the party's expense, but no transcript of the proceedings should be submitted in evidence at any subsequent trial unless the evidence would be otherwise admissible under the Federal Rules of Evidence.

(9) Case Presentations. As this is not a full trial, it is expected that counsel will present a condensed narrative summarization of the entire case consisting of an amalgamation of an opening statement, evidentiary presentations, and final arguments. In this presentation, counsel may present exhibits, read excerpts from exhibits, reports and depositions, all of which evidentiary submissions should be subject to the approval of the Presiding Judge by addressing motions in limine at a reasonable time in advance of the scheduled summary jury trial. This advanced consideration permits the summary jury trial proceedings to proceed uninterruptedly without objections. Generally, live witnesses should not be permitted, although an exception may be made by the Presiding Judge. An attorney certifies that offering any such summary of testimony or evidence is based upon a good faith belief and a reasonable investigation that the testimony or evidence would be available and admissible at trial.

(10) Jury Instructions. Jury instructions should be given. They will have to be adapted to reflect the nature of the proceeding.

(11) Jury Deliberations. Jury deliberations should be limited in time. Jurors should be encouraged to reach a consensus verdict. If that is not possible, separate verdicts may give the parties a sense of how jurors view the case.

(12) De-briefing the Jurors. After the verdict, the Presiding Judge should initiate and encourage a discussion of the case by the parties and the jurors.

(13) Settlement Negotiations. Within a short time after the summary jury trial, the Presiding Judge and the parties should meet to see whether the matter can be settled. A sufficient period between the end of the summary jury trial and the meeting is necessary to allow the parties to evaluate matters, but the Presiding Judge should exercise care not to allow too much time to elapse.

(14) Trial. If the case does not settle as the result of the summary jury trial, it should proceed to trial on the scheduled date.

(15) Limitation on Admission of Evidence. The assigned Judge shall not admit at a subsequent trial any evidence that there has been a summary jury trial, the nature or amount of any verdict, or any other matter concerning the conduct of the summary jury trial or negotiations related to it, unless:

(A) The evidence would otherwise be admissible under the Federal Rules of Evidence; or

Local Civil Rules -- Northern District of Ohio

(B) The parties have otherwise stipulated.

Rule 16.9 Summary Bench Trial

(a) **Eligible Cases.** Any case not triable to a jury may be assigned for a summary bench trial.

(b) **Selection of Cases.** A case may be selected for summary bench trial:

(1) By the Court at the Case Management Conference (See Local Rule 16.1(b)(2));

(2) At any time:

(A) By the Court on its own motion;

(B) By the Court, on the motion of one of the parties; or

(C) By stipulation of all parties.

(c) **Procedural Considerations.**

(1) **Presiding Judge.** The summary bench trial shall be conducted by a Judicial Officer other than the Judicial Officer who will ultimately preside at the binding trial.

(2) **Proposed Findings of Fact and Conclusions of Law.** The parties shall submit proposed findings of fact and conclusions of law in advance of the summary bench trial.

(3) **Procedural Considerations.** Where appropriate, the same procedural considerations applicable to summary jury trials may be adapted to summary bench trials to reflect the nature of the proceedings.

Local Civil Rules -- Northern District of Ohio

Rule 16.10 Other ADR Procedures

A Judge may utilize other methods of court-annexed alternative dispute resolution procedures or recommend or facilitate the use of any extrajudicial procedures for dispute resolution not otherwise provided for by these Local Rules.

In the event a reference to extrajudicial procedures is made, all further court-annexed case management procedures may be stayed and an administrative closing of the case may be made pursuant to Administrative Office guidelines for cases in which all presently contemplated proceedings have been completed. (See Guide to Judiciary Policies and Procedures, Volume XI, Chapter 5, Subsection III, H, p. 26).

If the case is resolved extrajudicially, then the administrative closing order may be supplemented with a terminal dispositive order. If the case is not resolved extrajudicially, the case may be returned to a court-annexed case management protocol for processing and ultimate disposition.

(b) **Class Action Allegations.** The complaint, or other pleading asserting a class action, shall contain, under a separate heading styled "Class Action Allegations," the following:

(1) A reference to the portion or portions of Fed. R. Civ. P. 23 under which it is claimed that the suit is properly maintainable as a class action; and

(2) Appropriate allegations thought to justify such claim, including, but not necessarily limited to:

(A) the size (or approximate size) and definitions of the alleged class;

(B) the bases upon which the party or parties maintaining the class action or other parties claiming to represent the class are alleged to be an adequate representative(s) of the class;

(C) the alleged questions of law and fact claimed to be common to the class; and

(D) in actions claimed to be maintainable as class actions under Fed. R. Civ. P. 23(b)(3), allegations intended to support the findings required by that subdivision.

(c) **Class Action Determination.** Unless the Court otherwise orders, the party or parties asserting a class action shall, within ninety (90) days after the filing of a pleading asserting the existence of a class or within such other period of time mandated by controlling statute, move for a determination under Fed. R. Civ. P. 23(c)(1), whether the action is to be maintained and, if so, the membership of the class. As soon as practicable after the motion papers for and against class action determination have been submitted, the Court shall enter an order determining whether the action shall be so maintained. Nothing in this Rule shall preclude any party from moving to strike the class action allegations.

Rule 24.1 Procedure for Notification of Any Claim of Unconstitutionality

(a) In any action, suit, or proceeding in which the United States or any agency, officer, or employee thereof is not a party and in which the constitutionality of an Act of Congress affecting the public interest is drawn into question, or in any action, suit, or proceeding in which a state or any agency, officer, or employee thereof is not a party, and in which the constitutionality of any statute of that state affecting the public interest is drawn into question, the party raising the constitutional issue shall notify the Court of the existence of the question by stating on the pleading that alleges the unconstitutionality, immediately following the title of that pleading, "Claim of Unconstitutionality" or the equivalent.

(b) Failure to comply with this Rule will not be grounds for waiving the constitutional issue or for waiving any other rights the party may have. Any notice provided under this Rule, or lack of notice, will not serve as a substitute for, or as a waiver of, any pleading requirement set forth in the Federal Rules of Civil Procedure or in statutes.

DISCOVERY**

Rule 26.1 Discovery - General

The parties are encouraged to cooperate with each other in arranging and conducting discovery, including discovery involved in any ADR program. Discovery must be conducted according to limitations established at the Case Management Conference and confirmed in the Case Management Plan. Absent leave of court, the parties have no authority to modify the limitations placed on discovery by court order. Attorneys serving discovery requests must review them to ascertain that they are applicable to the facts and contentions of the particular case. Form discovery pleadings containing requests that are irrelevant to the facts and contentions of the particular case must not be used.

Rule 30.1 Conduct at Depositions

(a) Witnesses, parties, and counsel must conduct themselves at depositions in a temperate, dignified, and responsible manner.

(b) The following guidelines for the taking of depositions emphasize the expectations of the Court as to certain issues; they are intended to supplement Fed. R. Civ. P. 26 and 30.

(1) Scheduling. Counsel are expected to make a timely and good faith effort to confer and agree to schedules for the taking of depositions. Unless counsel otherwise agree, depositions must be conducted during normal business hours. Except where good cause exists, no Notice of Deposition or Subpoena can issue prior to a scheduling conference with opposing counsel. Counsel for the deponent must not cancel a deposition without stipulation of the examining counsel or order of the Court.

(2) Decorum. Opposing counsel and the deponent must be treated with civility and respect. Ordinarily the deponent must be permitted to complete an answer without interruption by counsel.

(3) Objections. Objections must be limited to (a) those that would be waived if not made pursuant to Fed. R. Civ. P. 32(d)(3) and (b) those necessary to assert a privilege, enforce a limitation on evidence directed by the Court or present a motion under Fed. R. Civ. P. 30(d)(3). No other objections can be raised during the course of the deposition. In the event privilege is claimed, examining counsel may make appropriate inquiry about the basis for asserting the privilege.

(4) Speaking Objections. Speaking objections that refer to the facts of the case or suggest an answer to the deponent are improper and must not be made in the presence of the deponent.

(5) Witness Preparation. Preparation of the deponent must be completed prior to the taking of the deposition. While a question is pending, counsel for the deponent and the deponent must not confer, except for the purpose of deciding whether to assert a privilege.

(6) Documents. Examining counsel must provide counsel for the deponent with copies of all documents shown to the deponent during the deposition.

(7) Disputes. Counsel must comply with Local Rule 37.1 as to any disputes arising in connection with the taking of a deposition.

Rule 32.1 Videotape Depositions

(a) **General.** The use at trial of videotape depositions in civil cases is encouraged. Insofar as possible, the technology of videotape equipment should be utilized to enable the jury to obtain the same factual presentation as would be obtainable if the witness were to appear live in the courtroom. Counsel may, if desired, use multiple cameras and be videotaped while interrogating the deponent or appear with the deponent during all or part of the interrogation.

(b) **Guidelines.**

(1) **Objective.** The objective of each videotape deposition shall be to provide a visual and audio record that will, as nearly as possible, approximate the live appearance of the deponent before the trier of fact.

(2) **Deposition Officer.** The officer presiding at a videotape deposition shall be independent of any of the parties or the counsel of any of the parties. The deposition officer shall be a person authorized under the law to administer an oath to the witness. The deposition officer may also be either the stenographer recording the proceeding or the camera person recording the proceeding by videotape.

(3) **The Camera Person or Persons.** Counsel for the party noticing the deposition shall be responsible for providing the camera person or persons to record the deposition by videotape. If such camera person or persons is other than the deposition officer, such person may be anyone selected by the counsel noticing the deposition, including an employee of counsel. It will be the obligation of the counsel seeking the deposition to determine that matters of staging and technique such as the placement of the camera(s) and any microphone(s), lighting, camera angles, and backgrounds, as well as the use of any demonstrations or exhibits do fairly, accurately and objectively reproduce and record the testimony. Any objections as to any of the proceedings in the taking of the deposition shall be accurately recorded and timely interposed so that the opposing counsel, insofar as possible, may take corrective action. The Court shall ultimately rule on all objections and make such orders as the Court deems appropriate for the editing of any videotape deposition to prevent prejudice to any of the parties to the action.

(4) **Use of Date/Time Generator.** There shall be employed at the deposition a date/time generator to create on the videotape a continuous record of the date and time.

(5) **Commencing the Deposition.** The deposition officer shall commence the deposition by stating on the videotape record his or her name and business address; the name and business address of the officer's employer; the date, time, and place; the name of the deponent and the caption of the action; the identity of the party on whose behalf the deposition is being taken; and the names of all persons present in the deposition room. The deposition officer shall also swear, on the videotape record, that he or she will record the deposition accurately and abide by all provisions of this Rule. The deponent shall be sworn on the videotape record by a person authorized to administer oaths.

(6) **Going "Off Camera".** The deposition officer shall not stop the videotape recorder after the deposition commences until it concludes, except, however, that any party may request such cessation,

Local Civil Rules -- Northern District of Ohio

which request will be honored unless another party objects. Each time the tape is stopped or started, the deposition officer shall announce the time on the record.

(7) Changing Tapes. If the deposition requires the use of more than one tape, the end of each tape and the beginning of the next shall be announced orally on the videotape record by the deposition officer. In addition, at the beginning of each tape, the deposition officer shall repeat the officer's name and business address, the date, time, and place of the deposition, and the name of the deponent. At the end of the deposition, the deposition officer shall state on the record that the deposition is complete.

(8) Availability of Monitor. There shall be available to counsel throughout the deposition a monitor on which they can view the videotape record as it is being made.

(9) Exhibitions and Demonstrations. A deponent shall be permitted to conduct demonstrations or experiments or reenact physical events during the course of a videotape deposition. Likewise, a party shall be entitled to utilize with the deponent any visual aids or exhibits in such manner as though the witness were appearing live in Court. Counsel may appear with the deponent in the videotape. Any opposing counsel may interpose any objection which he or she deems appropriate to the use of such demonstrations, experiments, or reenactments or visual aids or exhibits, and the Court shall ultimately rule upon such objections and determine whether or not the matter objected to is to be shown to the jury or edited out of the videotape.

(10) Need to Object Timely. Wherever objections are permitted by this Rule, such objections must be timely raised so as to give the opposing party an opportunity to correct the condition which is the subject of the objection.

(11) Recording. The party taking the deposition shall state in the notice the method by which the testimony shall be recorded. Unless the Court orders otherwise, it may be recorded by sound, sound-and-visual, or stenographic means, and the party taking the deposition shall bear the cost of the recording. Any party may arrange for a transcription to be made from the recording of a deposition taken by nonstenographic means.

(12) Discrepancies Between Videotape and Stenographic Records. In the event of any material discrepancy between the videotape record and the stenographic transcript, the Court shall determine which record shall be submitted to the trier of fact.

(13) Examination and Correction of Deposition Record. If requested by the deponent or a party before completion of the deposition, after the stenographic transcript of the deposition is completed and available for inspection, the deposition officer shall notify the deponent of such availability. The deponent shall be given thirty (30) days from receipt of such notice to review the original videotape and stenographic transcript of the deposition and to request in writing (or on the videotape record if it is still open) any changes or corrections in such records.

(14) Waiver of Execution. Forty-five (45) days after the notice of availability described in subsection (b)(13) is received by all parties, the original of the videotape and stenographic reporting (together with all requests for changes or corrections theretofore received) shall be filed with the Clerk, where it shall have the same force and effect as a duly executed original stenographic transcript of the

Local Civil Rules -- Northern District of Ohio

deponent's testimony. The Clerk shall release the original videotape for viewing only upon order of the Court.

(15) Certification of the Videotape Record. No later than ten (10) days before trial, the deposition officer and any other technician employed at the deposition shall file with the Clerk their sworn statements that the videotape is an accurate and complete record of the deposition and that they have complied with all provisions of this Rule and the Federal Rules of Civil Procedure applicable to a stenographic reporter or the deposition officer. The certification shall indicate whether any review of the record was requested and, if so, shall append any changes made by the deponent during the period allowed. Counsel for a party, however, if in custody of the videotape record, may file the videotape record and prepare the sworn statement and sign it as counsel. The sworn statement called for by this section shall be served upon all of the parties.

(16) Custody of the Tape. The deposition officer shall maintain custody of the original tape until it is filed with the Court. Parties may view the tape while it is in the officer's custody, but only under conditions that make impossible the erasure or alteration of the tape. The parties may agree that counsel for the party noticing the deposition retain custody of the tape in which event it will be the responsibility of such counsel to file the sworn statement called for under subsection (b)(15) of this Rule.

(17) Editing the Tape. If any party desires to offer any portion of the videotape record at trial, such party shall, no later than five (5) days before trial, advise all other parties of the portions of the tape it wishes to offer. Any party who believes that the portion so designated contains objectionable material may, by motion, seek the Court's ruling on its admissibility in advance of trial. An edited tape, eliminating material found by the Court to be objectionable, shall be prepared at the expense of the party responsible for the original inclusion of that material, unless the parties provide, or the Court orders, another method for the suppression of the objectionable material or allocation of cost. Nothing in this paragraph is intended to supersede the Local Rules concerning premarking of exhibits for trial.

(18) Rulings on Admissibility. The Court, prior to voir dire, shall make rulings as they relate to any videotape deposition filed in accordance with subsection (b)(17) of this Rule, which rulings will include any orders that may require editing of the videotape prior to its being shown to the jury. It will be the responsibility of counsel proffering the videotape deposition to ascertain that the final form of the videotape deposition as shall be shown to the jury conforms to all such rulings. The purpose of such rulings prior to voir dire is to advise the parties prior to voir dire and opening statements so that the parties will know what evidence will be forthcoming from the videotape deposition.

Rule 37.1 Discovery Disputes

(a) In the absence of a Judicial Officer establishing an alternative procedure for handling discovery disputes, the following procedure shall apply.

(1) Discovery disputes shall be referred to a Judicial Officer only after counsel for the party seeking the disputed discovery has made, and certified to the Court the making of, sincere, good faith efforts to resolve such disputes.

(2) The Judicial Officer may attempt to resolve the discovery dispute by telephone conference.

(3) In the event the dispute is not resolved by the telephone conference, the parties shall outline their respective positions by letter and the Judicial Officer shall attempt to resolve the dispute without additional legal memoranda.

(4) If the Judicial Officer still is unable to resolve the dispute, the parties may file their respective memoranda in support of and in opposition to the requested discovery by a date set by the Judicial Officer, who may schedule a hearing on the motion to compel.

(b) No discovery dispute shall be brought to the attention of the Court, and no motion to compel may be filed, more than ten (10) days after the discovery cut-off date.

Rule 37.2 Form of Discovery Motions

Upon motion for an order pursuant to Fed. R. Civ. P. 37, compelling an answer or production of documents or authorizing an inspection, the moving party shall include in his or her brief in support of said motion, immediately preceding the discussion and authorities relevant thereto, the interrogatory, document request, deposition question or request for admission in full and any response thereto alleged to be evasive or incomplete; the request for inspection; or the deposition notice, as may be appropriate. Multiple items may precede a single argument if they present common or related issues of fact and law. If there has been no response to the request for discovery or request for admission, or a complete failure to comply with such request, the moving party may append a copy of the interrogatories, document request, request for admission or deposition notice as an exhibit to the brief in lieu of copying the same in the body of the brief.

If there are multiple defendants, letters shall be used followed by the party's last name. If the defendant has more than 26 exhibits, double letters shall be used.

Where a multiple-page exhibit is introduced, multiple pages should be numbered consecutively.

An index of the exhibits to be used at trial, along with a brief description of such exhibits, shall be filed with the Court and served upon opposing counsel no later than one week before the final pretrial.

(c) **Retention and disposal of exhibits.**

(1) **Retention of exhibits by counsel.** All models, diagrams, and exhibits of material filed or placed in the custody of the Clerk of Court for inspection of the Court on the hearing of a cause shall be taken by the party presenting the model, diagram, or exhibit at the conclusion of the hearing unless a party should object and request that the item be retained by the Clerk of Court and the Clerk is so ordered by the Court in writing. It shall be the responsibility of the party offering the model, diagram, or exhibit to maintain the offered or accepted exhibits until after the entry of final judgment or final judgment on appeal on matters appealed, whichever is later, unless directed otherwise by the Court. Upon motion of either party and/or the Court's order, when a demonstrative exhibit is retained by counsel, a picture or other paper record must be substituted for the exhibit.

Rule 83.5 Admission of Attorneys to Practice in the Northern District of Ohio

(a) **Roll of Attorneys.** The Bar of this United States District Court for the Northern District of Ohio consists of those admitted to practice before this Court who have taken the oath prescribed by the Rules in force when they were admitted.

No person shall be permitted to practice in this Court or before any officer thereof as an attorney or to commence, conduct, prosecute, or defend any action, proceeding, or claim in which such person is not a party concerned, either by using or subscribing his or her own name or the name of any other person, unless he or she has been previously admitted to the Bar of this Court.

(b) **Bar Admission.** It shall be requisite to the admission of attorneys to practice in this Court that they shall have been admitted to practice in the highest court of any state, territory, the District of Columbia, an insular possession, or in any district court of the United States, that they are currently in good standing with such court and that their private and professional characters appear to be good. All attorneys admitted to practice in this Court shall be bound by the ethical standards of the Code of Professional Responsibility adopted by the Supreme Court of Ohio, so far as they are not inconsistent with federal law.

(c) **Local Office Requirement.** Unless otherwise ordered by the Court, it shall not be necessary for any attorney entitled to practice before the District Court or permitted to appear and participate in a case or proceeding to associate with or to designate an attorney with an office in this district upon whom notices, rulings, and communications may be served.

(d) **Admission by Clerk.** Each applicant shall file with the Clerk (1) a certificate from the presiding Judge or Clerk of the proper court evidencing the applicant's admission to practice there and that he or she is presently in good standing, (2) the applicant's personal statement, on the form approved by the Court and furnished by the Clerk, which shall be endorsed by two members of the Bar of this Court who are not related to the applicant, (3) Oath or Affirmation of Admission, and (4) evidence of attendance at a Northern District of Ohio federal district court practice seminar.

If the documents submitted by the applicant demonstrate that he or she possesses the necessary qualifications, the Clerk shall so notify or advise the applicant, and he or she may be admitted without appearing in Court.

(e) **Admission Upon Motion to the Court.** If the applicant so elects, rather than filing with the Clerk the certificate and statement required by subsection (d), he or she may be admitted by the Court on oral motion by a member of the Bar, provided that it appears from the motion or the statement of the applicant to the Court that he or she has satisfied the requirements of admission.

(f) **Oath or Affirmation.** Each applicant shall subscribe or take the following oath or affirmation, viz.:

I, [Name] , do solemnly swear (or affirm) that as an attorney of this Court I will conduct myself uprightly, according to the law and the ethical standards of the Code of Professional Responsibility adopted by the Supreme Court of Ohio, so far as they are not inconsistent with Federal Law, and that I will support the Constitution and laws of the United States.

Local Civil Rules -- Northern District of Ohio

(g) **Admission and Fees.** All attorneys admitted to practice in this Court under this Rule shall pay to the Clerk the admission fee prescribed by the Judicial Conference of the United States and such other fees as may from time to time be required by General Order of this Court (such as a library fee).

(h) **Permission to Participate in Particular Case.** The Court's strong preference is that attorneys seek permanent admission to the Bar of this Court, however, any member in good standing of the Bar of any court of the United States or of the highest court of any state may, upon written or oral motion and payment of the pro hac vice admission fee (which is equal to the regular attorney admission fee), be permitted to appear and participate in a particular case, or in a group of related cases. An attorney must pay the pro hac vice admission fee each time he or she seeks pro hac vice status. A certificate of good standing from the aforementioned court(s) or an affidavit swearing to applicant's current good standing must accompany the motion for admission pro hac vice along with a check for the attorney admission fee payable to: Clerk, U.S. District Court. In addition to showing proof of current good standing, any attorney moving for admission pro hac vice must contemporaneously provide his or her typewritten name, address, telephone number, facsimile number, e-mail address, and bar registration number.

(i) **Change of Address.** All attorneys admitted to practice in this Court are required to submit a written notice of a change of business address and/or email address to the Clerk upon the change in address.

(j) **Continuing Maintenance of Good Standing.** It shall be requisite to the continuing eligibility of attorneys to practice in this Court that they are currently in good standing with the highest court of any state, territory, the District of Columbia, an insular possession, or in any district court of the United States, and that their private and professional characters appear to be good. All attorneys admitted to practice in this Court are deemed by their signature on any pleading, written motion, and other paper to certify that they are currently in good standing of the Bar of a Court of the United States or of the highest court of any state.

(k) **Attorneys for the United States of America.** Attorneys for the United States are permitted to appear on behalf of the United States upon filing the applicant's personal statement, on the form approved by the Court and furnished by the Clerk, and the Oath or Affirmation of Admission. The admission fee required by subsection (g) is waived.

(l) **Southern District of Ohio Reciprocity Agreement.** The Northern District of Ohio has agreed, pursuant to General Order 2003-44, to waive the requirements that an attorney provide evidence of attendance at a federal district court seminar and that the applicant's personal statement be endorsed by two members of the bar of the Court, so long as the applicant submits a certificate of good standing from the Southern District of Ohio showing that the attorney has been admitted to practice for at least the past two years, or that this Court can readily verify the same, and the applicant complies with all other Northern Ohio admission requirements, including the payment of fees.

(m) **Waiver of Attendance at a Northern District of Ohio Federal District Court Practice Seminar.** Applicant may be granted reciprocity if applicant resides outside the State of Ohio and is admitted to the Bar of a U.S. District Court located outside the State of Ohio, and has taken a federal court practice seminar other than the Northern District of Ohio federal district court practice seminar. Applicant must also certify that he/she is familiar with the principles of the Civil Justice Reform Act of 1990, case management planning, the Federal Rules of Civil Procedures, the local rules of the Northern District of Ohio, in their entirety, with specific attention to Section 16.4, et seq. Alternative Dispute Resolution (ADR) and Section 16.1, et seq. Differentiated Case Management (DCM), the latter which includes the concepts of track assignment and case management conferences. Rule 83.6 Appearance and Practice by Law Students

Under the supervision of an attorney licensed to practice before this Court, a student who (1) is enrolled in a school of law accredited by the American Bar Association or holding membership in the Association of American Law Schools, and (2) has completed one-half of the credit hours required for graduation may, with the consent of the trial judge, participate as though he or she were a duly-licensed attorney in causes pending before this Court, to the extent authorized by this Rule. Such student participation shall be limited to the following situations:

(a) In all cases, parties to the litigation shall have advised the Court that they agree to the student's participation and that full explanation has been made of the student's status.

(b) In all cases, the student shall receive no compensation, directly or indirectly, for participation, other than the award of academic credit by the student's law school. This Rule shall not preclude a person who is salaried by a nonprofit agency (e.g., Legal Aid Office) from engaging in a student practice pursuant to this Rule.

(c) In civil matters, a student may participate as requested by attorneys employed by or associated with a legal services program or law school clinical program in matters arising from such employment or association.

(d) In habeas corpus and post-conviction cases, a student may participate as requested by attorneys for petitioners; a student may participate on behalf of respondents as requested by respondent's counsel.

The term "supervision" as used in this Rule means the presence in Court during the student's participation of the attorney requesting his or her services, unless such attorney's absence is expressly authorized by the party whom he or she represents, the student, and the Judge.

The Judge before whom a student is participating may, at any time and with or without cause and for any reason, revoke the authorization established by this Rule.

Local Civil Rules -- Northern District of Ohio

Rule 83.7 Professional Conduct and Attorney Discipline

(a) **Standards for Professional Conduct.** Attorneys admitted to practice in this Court shall be bound by the ethical standards of the Code of Professional Responsibility adopted by the Supreme Court of the State of Ohio, so far as they are not inconsistent with federal law (see LR 83.5(b) and (f)).

(b) **Failure to Comply.**

(1) For misconduct defined in this Rule, and for good cause shown, and after notice and opportunity to be heard, any attorney admitted to practice before this Court may be disbarred, suspended from practice before this Court, reprimanded or subjected to such other disciplinary action as the circumstances warrant.

(2) Acts or omissions by an attorney admitted to practice before this Court, individually or in concert with any other person or persons, which violate the Code of Professional Responsibility adopted by this Court shall constitute misconduct and shall be grounds for discipline, whether or not the act or omission occurred in the course of an attorney-client relationship.

(c) **Attorneys Specially Admitted.** Whenever an attorney applies to be admitted or is admitted to this Court for purposes of a particular proceeding (pro hac vice), the attorney shall be deemed thereby to have conferred disciplinary jurisdiction upon this Court for any alleged professional misconduct of that attorney.

(d) **Disciplinary Proceedings.**

(1) When misconduct or allegations of misconduct which, if substantiated, would warrant discipline on the part of an attorney admitted to practice before this Court come to the attention of a Judge of this Court, whether by complaint or otherwise, and the applicable procedure is not otherwise mandated by this Rule, the Judge shall refer the matter to the Court's Committee on Complaints and Policy Compliance ("the Committee"), with notification to the Clerk of Court, for investigation and the prosecution of a formal disciplinary proceeding or the formulation of such other recommendation as is appropriate.

(2) If the Committee concludes after investigation, review and findings that a formal disciplinary proceeding should not be initiated against the respondent-attorney, the Committee shall file with the Court a recommendation for disposition of the matter by dismissal, admonition, referral, or otherwise.

(3) To initiate formal disciplinary proceedings, the Committee shall issue by regular U.S. mail an order of this Court requiring the respondent-attorney to show cause as noticed why the attorney should not be disciplined.

(4) Upon the respondent-attorney's answer to the order to show cause, if any issue of fact is raised or the respondent-attorney wishes to be heard in mitigation, the matter shall be set for hearing before the Committee, provided, however, that if the disciplinary proceeding is predicated upon the complaint of a judge of this Court who is a member of the Committee, that judge shall not participate in such hearing or in any action of this Court relative to said respondent-attorney.

Local Civil Rules -- Northern District of Ohio

(5) Counsel appointed pursuant to the authority set forth in section (f) of this Rule, *Discipline Imposed By Other Courts*, shall have the authority to investigate, prosecute before the Committee and otherwise assist the Committee in any matters involving a respondent-attorney.

(e) Attorneys Convicted of, Pleading Guilty or Nolo Contendere to Crimes.

(1) Serious Crimes

(a) If an attorney admitted to practice before this Court is found guilty by verdict at trial in any Court of record, or enters a plea of guilty or nolo contendere, to a serious crime, as herein after defined, the Chief Judge, on behalf of this Court, shall immediately enter an order of interim suspension of that attorney, regardless of the pendency of any appeal, until final disposition of a disciplinary proceeding to be commenced upon such conviction. A copy of such order shall be served upon the attorney by regular U.S. mail. Upon good cause shown, the Court may set aside such order when it appears in the interest of justice to do so.

(b) The Court shall, in addition to ordering an interim suspension of that attorney, refer the matter to the Committee on Complaints and Policy Compliance for the institution of a disciplinary proceeding on behalf of the Court. The sole issue to be determined shall be the extent of the final discipline to be imposed. A disciplinary proceeding so instituted will not be brought to final hearing until all appeals from the conviction are concluded.

(2) Other Crimes

If an attorney admitted to practice before this Court is found guilty by verdict at trial in any Court of record, or enters a plea of guilty or nolo contendere to a crime not constituting a serious crime, the Court may refer the matter to the Committee on Complaints and Policy Compliance for whatever action the Committee deems warranted, including the institution of a disciplinary proceeding.

(3) The term “serious crime” shall include, but not be limited to, any felony and any lesser crime a necessary element of which, as determined by the statutory or common law definition of such crime in the jurisdiction where the judgment was entered, involves false swearing, misrepresentation, fraud, tax evasion, willful failure to file income tax returns, deceit, bribery, extortion, misappropriation, theft, or an attempt or a conspiracy or solicitation of another to commit a “serious crime.”

(4) A certified copy of an official document from any Court of record indicating that the Court has found an attorney guilty by verdict or trial, or has accepted a plea of guilty or nolo contendere, for any crime shall be conclusive evidence of the commission of that crime in any disciplinary proceeding instituted against that attorney.

(5) An attorney suspended under the provisions of this Rule will be reinstated upon the filing of a certificate demonstrating that the underlying conviction of a serious crime has been reversed. However, the reinstatement will not terminate any disciplinary proceeding then pending against the attorney.

Local Civil Rules -- Northern District of Ohio

(f) Discipline Imposed By Other Courts.

(1) Any attorney admitted to practice before this Court shall, upon being subjected to public discipline by any other Court of record, promptly inform the Clerk of this Court of such action. If the Committee becomes aware of any public discipline to which any attorney admitted to practice before this Court is subjected, the Committee shall inform the Clerk of this Court.

(2) Upon the filing of a certified or exemplified copy of a judgment or order demonstrating that an attorney admitted to practice before this Court has been disciplined by another Court, this Court shall issue by regular U.S. mail a notice directed to the attorney containing:

(A) a copy of the judgment or order from the other Court; and

(B) an order to show cause directing that the attorney inform this Court of any claim by the attorney that the imposition of the identical discipline by the Court would be unwarranted and the reasons therefor. Upon the respondent-attorney's answer to the order to show cause, if any issue of fact is raised or the respondent-attorney wishes to be heard in mitigation, the matter shall be set for hearing before the Committee.

(3) This Court may impose the identical discipline unless this Court finds that the imposition of the same discipline by this Court would result in grave injustice.

(4) In all other respects, a final adjudication in another Court that an attorney has been guilty of misconduct shall establish conclusively the misconduct for purposes of a disciplinary proceeding in this Court.

(5) This Court, acting through the Committee, may at any stage appoint counsel to prosecute the disciplinary proceedings.

(g) Disbarment on Consent or Resignation in Other Courts.

(1) Any attorney admitted to practice before this Court who is disbarred on consent or resigns from the bar of any other Court of record while an investigation into allegations of misconduct is pending shall be stricken from the roll of attorneys admitted to practice before this Court upon the filing of a certified or exemplified copy of the judgment or order or upon notification by the attorney.

(2) It is the duty of any attorney admitted to practice before this Court who is disbarred on consent, or resigns from the bar of any other Court of record while an investigation into allegations of misconduct is pending, to notify the Clerk of this Court of such disbarment.

(h) Disbarment on Consent While Under Disciplinary Investigation or Prosecution.

(1) Any attorney admitted to practice before this Court who is the subject of an investigation into, or a pending proceeding involving, allegations of misconduct may consent to disbarment, but only by delivering to the Clerk of this Court an affidavit stating that the attorney desires to consent to disbarment and that:

Local Civil Rules -- Northern District of Ohio

(A) the attorney's consent is freely and voluntarily given; the attorney is not being subjected to coercion or duress; the attorney is fully aware of the implications of so consenting;

(B) the attorney is aware that there is presently pending an investigation or proceeding involving allegations that grounds exist for the attorney's discipline, the nature of which the attorney shall specifically set forth;

(C) the attorney acknowledges that the material facts alleged are true; and

(D) the attorney consents because the attorney knows that if charges were predicated upon the matters under investigation, or if the proceeding were prosecuted, the attorney could not successfully defend himself or herself.

(2) Upon receipt of the required affidavit, this Court shall enter an order disbarring the attorney.

(i) Reinstatement.

(1) After Disbarment or Suspension. An attorney suspended for three months or less shall be automatically reinstated at the end of the period of suspension upon filing with the Clerk of Court of an affidavit of compliance with the provisions of the order. An attorney suspended for more than three months or disbarred may not resume practice until reinstated by order of this Court.

(2) Time of Application. A person who has been disbarred after hearing or by consent may not apply for reinstatement until the expiration of at least five years from the effective date of the disbarment.

(3) Hearing on Application. Applications for reinstatement by a disbarred or suspended attorney under this Rule shall be filed with the Clerk of Court. Upon receipt of the application, the Clerk shall refer the application to the Committee which shall schedule a hearing. At the hearing the attorney shall have the burden of demonstrating by clear and convincing evidence that he/she has the moral qualifications, competency and learning in the law required for admission to practice law before this Court and that his/her resumption of the practice of law will not be detrimental to the integrity and standing of the bar or to the administration of justice, or subversive of the public interest. If the disciplinary proceeding which led to the disbarment or suspension of the attorney was predicated upon the complaint of a Judge of this Court who is a member of the Committee, that Judge shall not participate in such hearing or in any action of this Court relative to said attorney.

(4) Duty of Counsel. In all proceedings upon an application for reinstatement, cross-examination of the witnesses of the attorney and the submission of evidence, if any, in opposition to the application shall be conducted by a member of the Committee, unless the Committee has appointed counsel in which case such cross-examination shall be conducted by that counsel.

(5) Deposit for Costs of Proceeding. Applications for reinstatement under this Rule shall be accompanied by an advance cost deposit in an amount to be set from time to time by the Court to cover anticipated costs of the reinstatement proceedings.

Local Civil Rules -- Northern District of Ohio

(6) Conditions of Reinstatement. If the attorney is found unfit to resume practice in this Court, the application shall be dismissed. If the attorney is found fit to resume practice in this Court, the judgment shall reinstate him/her, provided that the judgment may make reinstatement conditional upon the payment of all or part of the costs of the proceedings, and upon the making of partial or complete restitution to parties harmed by the attorney whose conduct led to the suspension or disbarment. In addition, if the attorney has been suspended for two years or more or disbarred, reinstatement is conditioned upon the attendance of the attorney at a Federal Court Practice Seminar. If the attorney has been suspended for five years or more or disbarred, reinstatement may be conditioned upon furnishing proof of competency and learning in the law, which proof may include certification by the bar examiners of a state or other jurisdiction of the attorney's successful completion of an examination for admission to practice subsequent to the date of suspension or disbarment.

(7) Successive Applications. No application for reinstatement under this Rule shall be filed within one year following an adverse judgment upon an application for reinstatement filed by or on behalf of the same attorney.

(j) Appointment of Counsel. Whenever counsel is to be appointed pursuant to this Rule to investigate allegations of misconduct or prosecute disciplinary proceedings or in conjunction with a reinstatement application filed by a disciplined attorney, this Court or the Committee may appoint as counsel the disciplinary agency of the Supreme Court of Ohio or other state or local disciplinary agency having jurisdiction. If no such disciplinary agency exists or such disciplinary agency declines appointment, or if the Committee determines it more appropriate, the Committee may appoint as counsel one or more members of the Bar of this Court to investigate allegations of misconduct or to prosecute disciplinary proceedings under this Rule, provided, however, that the respondent-attorney may move to disqualify an attorney so appointed who is or has been engaged as an adversary of the respondent-attorney in any matter. Counsel, once appointed, may not resign unless permission to do so is given by this Court.

(k) Service. Service of orders, notices or any other papers shall be made by regular U.S. mail addressed to the respondent-attorney at the last known office address of the respondent-attorney.

(l) Public Record. The general order disbaring, suspending, reprimanding or subjecting an attorney to other disciplinary action or reinstating an attorney shall be a matter of public record. All other records pertaining to attorney disciplinary action(s), which are not already public records, shall not be publicly disclosed or made available for use in any other proceeding except upon order of this Court.

(m) Jurisdiction. Nothing contained in this Rule shall be construed to deny to this Court such powers as are necessary for the Court to maintain control over proceedings conducted before it, such as proceedings for contempt under Title 18 of the United States Code or under Rule 42 of the Federal Rules of Criminal Procedure.

(n) Applicability. This Rule shall apply only to disciplinary actions initiated on or after August 10, 1998.

(e) Upon proper motion of any party having an interest in the vessel, and upon the filing of a stipulation or other form of undertaking satisfactory to the Court guaranteeing the payment of any sums found legally payable to the plaintiff by judgment of the Court or by settlement, and upon at least one (1) day's notice to the plaintiff, the Court shall order the release of the vessel so seized subject to the further order of the Court.

Local Civil Rules -- Northern District of Ohio

Supplemental Rule F.1 Complaint Offering Surrender of Vessel

The monition in cases of surrender shall cite all persons having any claim upon the vessel to appear on the return day or be defaulted, as in ordinary process in rem.

Local Civil Rules -- Northern District of Ohio

Supplemental Rule F.2 Complaint Seeking Appraisement

If, instead of a surrender of the vessel, an appraisement thereof is sought for the purpose of giving a stipulation for value, notice of the proceedings to appraise the vessel shall be given to such lienors and creditors as are stated in the complaint or known to the plaintiff, as the Court shall direct.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS-44

Authority For Civil Cover Sheet

The JS-44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

I. (a) Plaintiffs - Defendants. Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.

(b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)

(c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

II. Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.C.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.

United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.

United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.

Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.

Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; federal question actions take precedence over diversity cases.)

III. Residence (citizenship) of Principal Parties. This section of the JS-44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

IV. Origin. Place an "X" in one of the seven boxes.

Original Proceedings. (1) Cases which originate in the United States district courts.

Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.

Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.

Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.

Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.

Multidistrict Litigation. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407. When this box is checked, do not check (5) above.

Appeal to District Judge from Magistrate Judgment. (7) Check this box for an appeal from a magistrate judge's decision.

V. Nature of Suit. Place an "X" in the appropriate box. If the nature of suit cannot be determined, be sure the cause of action, in Section IV above, is sufficient to enable the deputy clerk or the statistical clerks in the Administrative Office to determine the nature of suit. If the cause fits more than one nature of suit, select the most definitive.

VI. Cause of Action. Report the civil statute directly related to the cause of action and give a brief description of the cause.

VII. Requested in Complaint. Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.

Demand. In this space enter the dollar amount (in thousands of dollars) being demanded or indicate other demand such as a preliminary injunction.

Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.

VIII. Related Cases. This section of the JS-44 is used to reference related pending cases if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.

UNITED STATES DISTRICT COURT NORTHERN DISTRICT OF OHIO

ELECTRONIC FILING POLICIES AND PROCEDURES MANUAL

May 1, 2005

Introduction

The U.S. District Court for the Northern District of Ohio permits attorneys in civil and criminal cases to file documents with the Court electronically over the Internet thru its Case Management/Electronic Case Files (CM/ECF) system. The Court expects parties and their counsel to participate in electronic filing. While parties and pro se litigants may register to receive “read only” electronic filing accounts so that they may access documents in the system and receive electronic notice, only registered attorneys, as Officers of the Court, will be permitted to file electronically at this time.

1. Authorization for Electronic Filing

Pursuant to Fed. R. Civ. P. 5(e), Fed. R. Crim. P. 49(b) and (c), LR 5.1(b) and LCrR 49.2, the following policies and procedures govern electronic filing in this district unless, due to extraordinary circumstances in a particular case, a judicial officer determines that these policies and procedures should be modified in the interest of justice.

2. Definitions and Instructions

The following definitions and instructions will apply to these Policies and Procedures for Electronic Filing:

- 2.1 The term “document” shall include pleadings, motions, exhibits, declarations, affidavits, memoranda, papers, orders, notices, and any other filing by or to the Court.
- 2.2 The term “party” shall include counsel of record and a pro se litigant.
- 2.3 All hours stated shall be Ohio time.

3. Application of Rules and Orders

Unless modified by approved stipulation or order of the Court or a judicial officer, all Federal Rules of Civil and Criminal Procedure, Local Rules, and orders of the Court will continue to apply to cases filed electronically.

4. Applicable Cases

Electronic filing will be expected in all civil and criminal cases unless otherwise ordered by the Court. The parties will begin filing electronically in a case as soon as possible.

5. Social Security Review Cases

Absent a showing of good cause, all documents, notices and orders in all social security reviews will be filed and noticed electronically, rather than on paper, except where noted

below.

- ! Complaints and accompanying documents. The complaint and other documents typically submitted at the time a social security review case is initially filed in this Court will continue to be filed and served on paper in the traditional manner. Those documents will be scanned by the Clerk's Office and placed into the electronic filing system when the case is opened.
- ! Social security transcripts. Social security transcripts will also be filed and served on paper in the traditional manner since scanning that set of documents, and filing or retrieving them electronically, is impractical at this time. Typically, social security transcripts will not be scanned by the Clerk's Office, but will be maintained in a paper case file.
- ! Other documents. All other documents in social security review cases will be filed and served electronically unless otherwise ordered by the Court.

6. System Requirements

While the system requirements may be set forth more completely in a User's Manual or other Court publication, it is expected that the following hardware and software will be needed to electronically file, view and retrieve documents in the electronic filing system:

- ! a computer running a Windows or a Macintosh operating system
- ! Adobe Acrobat 3.0 or higher, or other software capable of converting documents from a word processor format to the portable document format (PDF)
- ! a PDF-compatible word processor like Macintosh or Windows-based versions of WordPerfect and Word
- ! a compatible Internet browser--the system supports Internet Explorer version 5.5 and Netscape browser version 4.6x or 4.7x (128 bit encryption is strongly recommended); other versions and browsers may also work, but the Court may be unable to provide support should problems arise.
- ! Internet access
- ! Access to a scanner if non-computerized documents need to be imaged

7. Filing of Case Initiating Documents / Payment of Filing Fee / Service of Summons

Case initiating documents (e.g. Complaints, Notices of Removal, Indictments, Informations) will be filed, applicable filing fees paid, and summons issued and served on paper rather than electronically. Parties who participate in electronic filing may be required to provide electronic copies of such documents for later entry into the electronic system.

8. General Format of Documents to be Filed Electronically

Electronically filed documents must meet the requirements of Fed. R. Civ. P. 10 (Form of

Pleadings), LR 10.1 and LCrR 49.1 (General Format of Papers Presented for Filing), and LR 10.2 and LCrR 49.2 (Designation of District Judge and/or Magistrate Judge) as if they had been submitted on paper. Documents filed electronically are also subject to any page limitations set forth by Court order or by LR 7.1(g) (Length of Memoranda).

9. Filing Documents Electronically

Electronic transmission of a document consistent with the procedures adopted by the Court will, upon the complete receipt of the same by the Clerk of Court, constitute filing of the document for all purposes of the Federal Rules of Civil and Criminal Procedure and the Local Rules of this Court, and will constitute entry of that document onto the docket maintained by the Clerk pursuant to Fed. R. Civ. P. 58 and 79 and Fed. R. Crim. P. 55.

A receipt acknowledging that the document has been filed will immediately appear on the filer's screen. Parties can also verify the filing of documents by inspecting the Court's electronic docket sheet. The Court may, upon the motion of a party or upon its own motion, strike any inappropriately filed document.

Documents filed electronically must be submitted in the Adobe Acrobat PDF format.

Filing documents electronically does not alter any filing deadlines. All electronic transmissions of documents must be completed (*i.e.*, received completely by the Clerk's Office) prior to midnight in order to be considered timely filed that day. Although parties can file documents electronically 24 hours a day, attorneys and parties are strongly encouraged to file all documents during normal working hours of the Clerk's Office (8:00 a.m. to 4:45 p.m.) when assistance is available.

10. Civil and Criminal Dockets

Upon the filing of a document, a docket entry will be created using the information provided by the filing party. The Clerk of Court will, where necessary and appropriate, modify the docket entry description to comply with quality control standards.

11. System Availability

The Court's system is designed to provide service 24 hours a day. The parties, however, are encouraged to file documents in advance of filing deadlines and during normal business hours.

The Clerk's Office has established a Help Desk (1-800-355-8498) to respond to questions regarding the electronic filing system and the registration process and to receive voice mail messages. The Help Desk will be staffed business days from 8:00 a.m. to 4:45 p.m., and will be available at all other times to record voice mail messages.

If a party is unable to file electronically and, as a result, may miss a filing deadline, the party must contact the Help Desk to inform the Clerk of Court of the difficulty. If a party misses a

filing deadline due to an inability to file electronically, the party may submit the untimely filed document, accompanied by a declaration, as a separate document, stating the reason(s) for missing the deadline. The document and declaration must be filed no later than 12:00 noon of the first day on which the Court is open for business following the original filing deadline. A model form is provided in Appendix A.

12. Registration

In order to effectively use the electronic filing system, users will need both a CM/ECF account and a PACER (Public Access to Court Electronic Records) account.

- a. CM/ECF Account: A party seeking to file documents electronically must submit a completed Electronic Filing System Registration form (Appendix B) prior to being assigned a CM/ECF user identification name and password that will serve as that party's signature for all purposes, including Fed. R. Civ. P. 11. Online registration is also available through the Court's web site (www.ohnd.uscourts.gov). Additionally, attorneys seeking to file electronically must be admitted to practice in the U.S. District Court for the Northern District of Ohio. The completed Registration Form must be signed by the registrant and addressed to:

Ms. Geri M. Smith, Clerk
United States District Court
Attention: Electronic Filing System Registration
801 W. Superior Avenue
Cleveland, OH 44113-1830

Once registration is completed, the party will receive notification by U.S. mail as to his/her user identification name and password.

Parties agree to protect the security of their passwords and immediately notify the Clerk of Court if they learn that their password has been compromised. Parties may be subject to sanctions for failure to comply with this provision.

- b. PACER Account: In order to retrieve documents from the CM/ECF system over the Internet, users, including members of the public, must have a PACER account. PACER is a national billing system that provides case information from nearly all federal courts. Users who do not have a PACER account will be unable to view or retrieve docket sheets or documents over the Internet, but may access that information, unless otherwise restricted, at the court house. PACER

accounts can be established through the PACER Service Center:

<http://pacer.psc.uscourts.gov>

PACER Service Center
P.O. Box 780549
San Antonio, TX 78278
(800) 676-6856
(210) 301-6440

Under the PACER system, parties and counsel of record are entitled to one free copy of each document filed in their cases, so long as they retrieve the document within 15 days of filing. Subsequent access to those documents, or access to documents in other cases, are subject to PACER billing fees. See the PACER web site for current rates and details.

13. Service of Electronically Filed Documents

By participating in the electronic filing process, the parties consent to the electronic service of all documents, and must make available electronic mail addresses for service. (See instructions in Appendix D.) Upon the filing of a document by a party, an e-mail message will be automatically generated by the electronic filing system and sent via electronic mail to the e-mail addresses of all parties in the case. In addition to receiving e-mail notifications of filing activity, the parties are strongly encouraged to sign on to the electronic filing system at regular intervals to check the docket in their case.

A certificate of service must be included with all documents filed electronically. Such certificate will indicate that service was accomplished pursuant to the Court's electronic filing procedures. The party effectuates service on all parties by filing electronically. Service by electronic mail will constitute service pursuant to Fed. R. Civ. P. 5(b)(2)(D) and Fed. R. Crim. P. 49(b) and will entitle the party being served to the additional 3 days provided by Fed. R. Civ. P. 6(e) and Fed. R. Crim. P. 49(c).

The following is a suggested certificate of service for electronic filing:

Certificate of Service

I hereby certify that on [date], a copy of foregoing [name of document] was filed electronically. Notice of this filing will be sent by operation of the Court's electronic filing system to all parties indicated on the electronic filing receipt. All other parties will be served by regular U.S. mail. Parties may access this filing through the Court's system.

It is the responsibility of the filing party to ensure that all other parties are properly served. Fed. R. Civ. P. 5(b)(3) notes that service by electronic means is not effective if the party making service learns that the attempted service did not reach the person to be served. If a party requiring service is not listed on the electronic filing receipt as having been sent an electronic notice of the filing, the filing party must serve that party by other appropriate means.

14. Electronic Filings

A key objective of the electronic filing system is to ensure that as much of the case as possible is filed and made available electronically. To facilitate electronic filing and retrieval, documents to be filed electronically are to be reasonably broken into their separate component parts. By way of example, most filings include a foundation document (e.g., motion) and other supporting items (e.g., memorandum and exhibits). The foundation document as well as the supporting items will each be deemed a separate component of the filing, and each component must be uploaded separately in the filing process. Any component having an electronic file size that exceeds 1.5 megabytes must not be filed electronically. Where an individual component is not included in the electronic filing, the filer must electronically file the prescribed Notice of Manual Filing in place of that component and the excluded component must be filed with the Clerk's Office within any deadlines and no later than one business day after the rest of the submission was filed electronically. A model form is provided as Appendix C .

The following example illustrates the application of this section.

A party seeks to file a motion, a supporting memoranda, and four exhibits (A, B, C and D). The motion is a text document that after conversion to Adobe

PDF has a size of 5kb. The supporting memoranda is a text document that after conversion to PDF has a size of 45kb. Attachment A is a scanned image of a one page document that after conversion to PDF has a size of 200kb. Attachment B is a scanned image of a 20 page document that after conversion to PDF has a size of 2mb. Attachment C is a scanned image of a 10 page document that after conversion to PDF has a size of 1.2mb. Attachment D represents an object that cannot be converted to digital format.

Each document should be kept as a separate component (PDF file) rather than being merged together as one file in order to facilitate easy retrieval of any individual component. Each of the components, except for Attachments B and D, should be filed electronically in one submission by filing the motion and attaching the memoranda and exhibits through the electronic filing system. Attachment B, at 2mb, exceeds the 1.5mb file size standard for conveniently creating, filing and retrieving documents. Attachment D cannot be scanned. In the electronic submission, Attachments B and D should each be replaced by a Notice of Manual Filing form. Attachment B should then be manually filed with the Court on paper, along with a copy of the attachment on disk, and served upon the parties in the traditional, non-electronic manner. Attachment D should be treated as it would if a traditional filing system were being used.

15. Manual Filings

Parties otherwise participating in the electronic filing system may be excused from filing a particular component electronically under certain limited circumstances, such as when the component cannot be reduced to an electronic format or exceeds the file size limit described in Section 14. Such component must not be filed electronically, but instead must be manually filed with the Clerk of Court and served upon the parties in accordance with the applicable Federal Rules of Civil and Criminal Procedure and the Local Rules for filing and service of non-electronic documents. A party may seek to have a component excluded from electronic filing pursuant to Fed. R. Civ. P. 26(c).

Whenever a party makes an electronic filing which excludes a component that will be filed manually, the electronic filing must include a Notice of Manual Filing in place of that component. A model form is provided as Appendix C.

If the entire filing, including all components, is made manually, a Notice of Manual Filing should not be filed, either electronically or manually.

Whenever it is practical, the Clerk's Office will scan manual filings and enter them into the electronic filing system. Once a document is scanned into the system, Section 21 below provides that the electronic version becomes the official record of the Court and permits the Clerk of Court to retain, return or discard the original. If a party believes that retention of the original is warranted, a copy of the document should be filed with the Court and the party

should retain the original. A party may also request at the time of filing or within 10 days thereafter, through a separate document, that the original be returned, rather than discarded, should the Clerk's Office ever determine it is no longer needed by the Court.

The pages of all documents filed manually should be one-sided in order to facilitate scanning by Court staff.

16. Retention of Originals of Documents Requiring Scanning

Originals of documents requiring scanning to be filed electronically must be retained by the filing party and made available, upon request, to the Court and other parties for a period of one year following the expiration of all time periods for direct appeals.

17. Signature Block

The party identification name and password will constitute the party's signature for Fed. R. Civ. P. 11 purposes. All documents filed electronically must include a signature block in compliance with the appropriate Local Civil or Criminal Rule (LR 10.1 or LCrR 49.1) and include the typewritten name, address, telephone number, facsimile number, e-mail address and the attorney's Ohio Bar Registration Number, if applicable.

In addition, the name of the password registrant under whose password the document is submitted should be preceded by a "s/" and typed in the space where the signature would otherwise appear.

City, State, Zip Code

Fax: (xxx) xxx-xxxx
E-mail: xxx@xxx.xxx

Documents requiring signatures of more than one party must be filed either by submitting a scanned document containing all necessary signatures or by listing all of the names of the signatories on the document by means of a "s/[name] (consent)" signature block for each. By submitting such a document, the filer certifies that each of the other signatories has expressly agreed to the form and substance of the document and that the filer has been authorized to submit the document on their behalf. Physical, facsimile or electronic signatures may be used to satisfy the requirements of this provision.

18. Sealed Documents

The filing of documents under seal is governed by LR 5.2 and LCrR 49.4, which permits such filings only with prior leave of the judicial officer. Sealed documents will not be filed

electronically, but rather manually and served upon the parties in accordance with the applicable Federal Rules of Civil and Criminal Procedure and the Local Rules for filing and service of non-electronic documents. The Clerk will enter a notice of the filing on the docket. Accordingly, the party filing a sealed document should not file a Notice of Manual Filing, electronically or on paper.

19. Trial Exhibits

Exhibits “lodged” with the Clerk of Court pursuant to LR 39.1 or LCrR 23.2 will not be filed electronically. Such documents will not be placed into the electronic filing system unless and until they are admitted as part of the official public record. The party submitting the “lodged” exhibits may be required to resubmit the documents in electronic format once they are admitted into the public record.

20. Filing of Discovery Materials

In civil cases, the filing of discovery depositions, interrogatories, requests for production of documents, requests for admissions, and answers and responses thereto will be governed by the Case Management Plan defined in LR 16.1(b)(4), and the determination of whether such materials will be filed electronically or manually will be made by the judicial officer after consulting with the parties. In general, the Court prohibits the filing of discovery material unless it is done in support of a motion.

In criminal cases, no material subject to discovery under Fed. R. Crim. P. 16 should be filed unless otherwise ordered by the Court, pursuant to LCrR 16.1.

21. Official Record

The official Court record will be the electronic file maintained on the Court’s servers. The official record will also include, however, any conventional documents or exhibits filed in accordance with these provisions that have not been otherwise entered into the system because it was impractical to do so. The Clerk’s Office will retain all original indictments and plea agreements after they are scanned and uploaded into the system. The Clerk’s Office may retain, return or discard all other original documents filed with the Court on paper after they have been scanned into the system, at the discretion of the Clerk of Court, subject to any limitations imposed by statute, judiciary policy or orders of this Court.

22. Remote Public Access

In accordance with the E-Government Act of 2002 and policies set forth by the Judicial Conference (which governs the administration of the U.S. Courts), the Court strives to provide public Internet access to case related documents to the same extent that those documents are available at the court house, with some limitations. Current Judicial Conference policy prohibits, with few exceptions, courts from providing remote public electronic access to documents in criminal cases. While documents in criminal cases can be obtained by members of the public at the court house, remote Internet access to those documents may

only be provided to Court staff and counsel of record on the particular case at this time. The Court also places similar access restrictions on social security review and government collection cases because of the sensitive personal data identifiers that appear in many of the documents in those cases. It should be noted that the Judicial Conference policy prohibiting remote public access to criminal case documents has changed, but will not become effective until the Judicial Conference determines an implementation strategy. An exception to the prohibition against providing Internet access to criminal case documents is that in those high-profile criminal cases where demand for the documents will impose extraordinary demands on the Court's resources, the Court is authorized to provide Internet access to the documents if the trial judge finds that such access is warranted and if all parties consent.

23. Privacy

The E-Government Act of 2002 and the Judicial Conference of the United States Courts' Policy on Privacy and Public Access to Electronic Case Files set forth rules and provide guidance to protect privacy and security concerns relating to the electronic filing of documents and the public availability of documents filed electronically. In accordance with the Act, the following Model Notice has been provided to Courts using the CM/ECF system:

The Office of the Clerk is now accepting electronically filed pleadings and making the content of these pleadings available on the Court's Internet website via WebPACER. Any subscriber to WebPACER will be able to read, download, store and print the full content of electronically filed documents. The Clerk's Office will not make electronically available documents that have been sealed or otherwise restricted by Court order.

Do not include sensitive information in any document filed with the Court unless such inclusion is necessary and relevant to the case. Remember that any personal information not otherwise protected will be made available over the Internet via WebPACER. If sensitive information must be included, the following personal data identifiers must be partially redacted from the pleading, whether it is filed traditionally or electronically:

- 1) Social Security numbers,
- 2) financial account numbers,
- 3) dates of birth,
- 4) names of minor children, and
- 5) (in criminal cases only) home addresses.

In compliance with the E-Government Act of 2002, a party wishing to file a document containing the personal data identifiers specified above may:

- (a) file a redacted document in the public record and file a reference list under seal. The reference list shall contain the complete personal data identifier(s) and the redacted identifier(s) used in its(their) place in the filing. All references in the case to the redacted identifiers included in the reference list will be construed

to refer to the corresponding complete personal data identifier. The reference list must be filed under seal, and may be amended as of right, or

- (b) file an unredacted version of the document under seal.

The Court may, however, still require the party to file a redacted copy for the public file.

In addition, exercise caution when filing documents that contain the following:

- 1) Personal identifying number, such as driver's license number;
- 2) medical records, treatment and diagnosis;
- 3) employment history;
- 4) individual financial information; and
- 5) proprietary or trade secret information.

Counsel are strongly urged to share this notice with all clients so that an informed decision about the inclusion, redaction and/or exclusion of certain materials may be made. If a redacted document is filed, it is the sole responsibility of counsel and the parties to be sure that all documents comply with the rules of this Court requiring redaction of personal data identifiers. The Clerk will not review each pleading for redaction.

The privacy provisions adopted by the Court are set forth under the General Rules of Pleading in LR 8.1 and LCrR 49.1.1.

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note: If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Foreign person. If you are a foreign person, use the appropriate Form W-8 (see **Pub. 515**, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Pursuant to LR 73.1(b) Recusal, Resignation or Death of Magistrate Judge, where the parties have consented to the transfer of a civil case to a Magistrate Judge under section (a) above, if the Magistrate Judge thereafter recuses, resigns or dies, the case shall be returned to the District Judge. The Clerk shall immediately assign another Magistrate Judge by the random draw and notify the parties of such new assignment. Within ten (10) days after such notification by the Clerk, the parties shall indicate their consent, or lack thereof, to transferring the case to the newly-assigned Magistrate Judge under 28 U.S.C. § 636(c). If the parties do not consent to the transfer, the case shall remain with the District Judge.

At the time the last appearance of counsel is made on behalf of the named defendant, the parties are to communicate with each other on this matter. ***It is the responsibility of plaintiff's counsel to initiate such consultation. The response is to be returned within ten (10) days of the last appearance.*** The response must contain the signatures of all counsel.

Pursuant to 28 U.S.C. § 636(c)(3) all appeals relating to magistrate consent cases must be heard only in the court of appeals.

Please return the completed response form to the Office of Clerk of the Court as promptly as possible. If an order of reference is entered by the Court, you will be advised by the Clerk as to which Magistrate Judge the case has been assigned for further proceedings.

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF OHIO

Motions Control Program)
for the Northern District) ORDER NO. 94-01
of Ohio)

The Northern District of Ohio, pursuant to a vote of the majority of the judges of this Court and in response to the mandate of the Sixth Circuit Judicial Council adopted at its November 1, 1993 meeting in which it stated:

As the minutes of the November 1, 1993 meeting of the Sixth Circuit Judicial Council indicate, the Council considered the summary report on motions and bench trials pending over six months for the semi-annual period ending September 30, 1993. In response to the figures contained in the summary report on motions, the following motion was adopted by majority vote of the Council:

(1) that the Council establish a goal that no district judge should have more than 20 motions under advisement for more than six months by the end of the next semi-annual reporting period on March 31, 1994;

(2) that in order to achieve the goal, the council should authorize the chief judge of each district to monitor the motions docket of each district judge within the district and to implement a motions control program to effectively manage the motions docket; and

(3) that each chief district judge should report to the council by June 30, 1994 on steps taken to implement the motions control program and to achieve the goal.

The Court hereby adopts the following plan to achieve the goal.

1. The clerk of this Court is directed to supply each judge with respect to his or her docket by the 10th day of the month, a list of all cases on that judge's docket in which dispositive and non-dispositive motions have been "pending"¹ 30 days after the date of filing as of the last day of the preceding month. The list shall state the number of days the motion has been pending. In the event the judge disagrees with the accuracy of the report, the courtroom deputy clerk shall provide the docket clerk supervisor with written notice of the discrepancy. The lists provided to each judge and magistrate judge shall also be provided to the chief judge.

2. The list shall identify those cases with dispositive and non-dispositive motions pending for more than 30 days that have been referred to a magistrate judge and shall identify the magistrate judge.

3. In those cases where a dispositive motion has been pending in excess of 120 days, the judge or magistrate judge to whom the case is assigned shall provide the chief judge of this Court a written report by the 15th day of the month indicating the status of the case with an estimate of when the judge or magistrate judge expects to resolve the

motion by

either a dispositive ruling or, in the case of a magistrate judge to whom the case has been referred for a Report and Recommendation, when the R & R will be filed.

4. The judge shall also advise the chief judge whether he or she needs assistance due to other demands of the Court's docket or for any other just reason.

5. In those cases where a judge or magistrate judge certifies that he or she needs assistance, the chief judge shall first determine if another judge or magistrate judge of this district has the time and energy to assist the certifying judge or magistrate judge. In the event the chief judge is unable to find another judge or magistrate judge to assist the certifying judicial officer, the chief judge shall notify the chief judge of the Circuit and request the assignment of a judge or judges to assist the certifying judge.

6. In the event the above procedures for providing District or Circuit assistance fails to achieve compliance with the Circuit Council resolution, the chief judge, upon concurrence of a majority of the judges of the Court, shall reassign such number of motions and/or cases from the docket of the judge as may be necessary to achieve compliance with the Circuit Council resolution.

7. In order to expedite the resolution of dispositive motions, the following procedures shall apply:

A. Dispositive Motion Practice Involving Oral Argument

In those cases in which a summary judgment motion has

been pending for more than 90 days, the judge or magistrate judge shall consider scheduling the case for oral argument within the next 30 days. When oral argument is scheduled, and unless otherwise ordered, the following procedure shall apply:

- (i) The clerk will notify counsel of record as to the date for the oral argument.
- (ii) The moving party shall file a certificate at least five working days before the hearing declaring that there is no genuine issue as to any material fact. Failure to file the certificate will constitute just cause for denying the motion.
- (iii) The party opposing the motion for summary judgment shall file a certificate within three working days of the oral hearing identifying the genuine issues as to any material fact and identify the documents in the record in the context of Fed. R. Civ. P. 56(e) that support the claim of a material fact in dispute.
- (iv) In those cases where the parties agree that there is no genuine issue as to any material fact, but rather that the issue is one of law on the undisputed facts, the parties shall file a certificate summarizing the undisputed facts and identify the questions of law. That certificate shall be filed at least three working days before the scheduled hearing. Failure to comply with the

provisions of paragraph seven of this order will be deemed sanctionable at the discretion of the Court.

B. Dispositive Motion Memoranda Page Limits As Established by Local Rule 8:8.1(f).

- (i) In recognition of the increasing tendency of the parties to file briefs in support of and in opposition to dispositive motions that exceed the page limits established by Local Rule 8:8.1(f), every memoranda related to a dispositive motion shall be accompanied by an affidavit specifying the track, if any, to which the case has been assigned and a statement certifying that the memoranda adheres to the page limitations set forth in Local Rule 8:8.1(f). In the event that the page limitations have been modified by order of the judicial officer, a statement to that effect shall be included in the affidavit along with a statement that the memoranda complies with those modifications. Failure to comply with these provisions may be sanctionable at the discretion of the Court.

C. The Duty of the Court Reporter to File a Transcript of the Court's Oral Ruling Resolving a Dispositive Motion.

- (i) The Court recognizes that an impediment to a prompt resolution of dispositive motions is the preference of the judges of the Sixth Circuit for a written opinion that sets forth the

Court's

reasoning when it grants the dispositive motion so as to assist in appellate review. The Court also recognizes that a written opinion where the motion is denied is of assistance to the parties. However, the Northern District of Ohio is faced with a judicial emergency that has lasted for approximately 18 months in that there are only seven active judges in the Northern District of Ohio despite the Congressional mandate for 12 active judges.

- (ii) In order to expedite the resolution of dispositive motions, the Court has previously adopted Local Rule 8:8.1 and Local Rule 8:8.3(a) which provides a streamlined approach to oral hearings by permitting the judicial officer to announce a preliminary ruling and rationale or grounds for such a decision and limiting the oral argument to the reasons why the preliminary ruling is correct or incorrect. Whenever the Court announces a decision on such a motion from the bench, a brief order or marginal entry shall issue. The court reporter is directed to prepare and file a transcript of the Court's announcement of its oral decision within 30 days of the decision.
- (iii) The clerk is directed to monitor the production of transcripts and report to the chief judge those cases where the assigned court reporter

has failed

days.

of Ohio)

At the regular monthly meeting of judges on December 6, 1994, it was agreed that Administrative Order 94-01 is amended to the extent that the clerk is now required to compile the list of cases in which motions have been pending 30 days or longer on a quarterly, rather than a monthly, basis. This action was taken in recognition of the reduction in the number of long pending motions achieved in this district during the past year and in order to reduce the demands on computer resources and to avoid duplication of effort in monitoring the status of pending motions.

OF OHIO)

The Motions Control Program for the Northern District of Ohio was adopted in response to the mandate of the Sixth Circuit Judicial Council to manage the pending motions docket.

Amended General Order No. 94-01, requires the Clerk to compile a list of cases in which motions have been pending 30 days or longer on a quarterly basis, reducing the frequency from a monthly basis as required in General Order No. 94-01. This reduction was taken in recognition of the reduction in the number of long pending motions as well as to reduce the demands on computer resources and to avoid duplication of effort in monitoring the status of pending motions. In light of the continuing reduction in the number of long pending motions, effective immediately, the Clerk's Office is no longer required to produce the quarterly pending motions report.

(b) In compliance with the E-Government Act of 2002, a party wishing to file a document containing the personal data identifiers listed above may

(1) file a redacted document in the public record and file a reference list under seal. Rule 49.2 Filing by Facsimile or Electronic Means

(a) The Clerk's Office will not accept any facsimile transmission unless ordered by the Court.

(b) Pursuant to Fed. R. Civ. P. 5(e), as incorporated by Fed. R. Crim. P. 49(b), the Clerk's Office will accept papers filed, signed, or verified by electronic means that are consistent with technical standards, if any, that the Judicial Conference of the United States establishes. A paper filed by electronic means in compliance with this Rule constitutes a written paper for the purposes of applying these Rules and the Federal Rules of Criminal Procedure. All electronic filings shall be governed by the Court's Electronic Filing Policies and Procedures Manual and orders of the Court. (See Appendix B to the Local Civil Rules.)

(c) At any time during the pendency of a case, the presiding judicial officer may require, absent a showing of good cause, that parties file documents electronically using the Court's Case Management / Electronic Case Files (CM/ECF) system. Rule 49.4 Filing Documents Under Seal

No document will be accepted for filing under seal unless a statute, court rule, or prior court order authorizes the filing of sealed documents. If no statute, rule, or prior order authorizes filing under seal, the document will not be filed under seal.

Materials presented as sealed documents shall be in an envelope which shows the citation of the statute or rule or the filing date of the court order authorizing the sealing, and the name, address and telephone number of the person filing the documents.

If the sealing of the document purports to be authorized by court order, the person filing the documents shall include a copy of the order in the envelope. If the order does not authorize the filing under seal, or if no order is provided, the Clerk will unseal the documents before filing them. Before unsealing the documents, the Clerk will notify the person whose name and telephone number appears on the envelope in person (if he or she is present at the time of filing) or by telephone. The filer may withdraw the documents before 4:00 p.m. the day the Clerk notifies him or her of the defect. If not withdrawn, the documents will be unsealed and filed.

New cases submitted for filing without a signed sealing order will be assigned a new case number, District Judge and Magistrate Judge. The Clerk, without further processing, will send the file to the assigned District Judge for a sealing order. If a sealing order is signed, the Clerk will enter as much information as is permitted by the sealing order into the system to open and identify the case.

Thirty days after the termination of the case or any appeal, whichever is later, sealed documents and cases will be unsealed pursuant to court order, unless either a motion to continue the seal for a specified period of time or a motion to withdraw the documents is filed and granted by the Court.

Rule 57.1 Release of Information by Counsel

It is the duty of the lawyers associated with the prosecution and defense of a pending or imminent criminal case to refrain from releasing or authorizing the release of information or opinions related to the case if there is a reasonable likelihood that such release will interfere with a fair trial or otherwise prejudice the administration of justice.

The foregoing shall not preclude a lawyer, in the proper discharge of his or her duties, from announcing an arrest (including the name, age, and address of the subject) (including the place of arrest, resistance, pursuit, and the use of weapons), the identity of the investigating officer or agency, the length of the investigation, the announcement of the seizure of property or physical evidence other than a confession, a brief description of the offense charged, the penalty authorized by law, from quoting or referring to the public records of any stage of the judicial process, from requesting further assistance in obtaining judicial process, or from commenting that the accused denies the charges made against him or her. Counsel for the suspect/defendant shall not be precluded from responding appropriately to any such public information.

(a) During the trial of any criminal matter, including jury selection, no lawyer or law firm associated with the case shall give or authorize any interview or release of information relating to the trial, parties, or issues in the trial which would be expected to be disseminated by means of public communications media and reasonably likely to interfere with a fair trial, except that a lawyer may comment on public records of the Court and identify the stage of proceedings.

(b) After trial but prior to sentencing in any criminal matter, no lawyer or law firm associated with the case shall give or authorize any interview or release information which would be expected to be disseminated by means of public communications media concerning the sentencing, except that a lawyer may comment on the public records of the Court and identify the possible range of sentences.

(c) Nothing in this Rule is intended to preclude the formation of more restrictive rules relating to the release of information where the Court deems such restriction necessary. Furthermore, nothing in these Rules is intended to restrict argument of counsel in open court as to any matter addressed herein in the proper discharge of his or her duties, or to preclude the filing of documents, briefs, and motions as provided by law.

Nothing in this Rule shall preclude a lawyer from replying to charges of misconduct that are publicly made against that lawyer.

(a) The United States Marshal, the Federal Protective Service and any other federal security force are authorized to require all persons entering any United States District Court in the Northern District of Ohio to pass through an electronic metal detector before gaining access to the building or the corridors leading to the Judges' chambers. Whenever any person who activates the detector wishes to gain access to these areas, such person must submit to a reasonable, limited search of his or her person and property in order to determine the existence, if any, of explosive or dangerous weapons that might cause injury to persons or property.

(b) All packages, bags, parcels, and brief cases shall be submitted for magnetometer, x-ray, and/or manual inspection upon entry into any United States District Court in the Northern District of Ohio. Any person who refuses to allow such inspection shall be denied entrance.

(c) Except for the United States Marshal, the Marshal's deputies and designees, no one shall have an explosive, incendiary, deadly, or dangerous weapon on or about his or her person while inside any United States District Court in the Northern District of Ohio, unless such person is a federal law enforcement officer, or is a law officer of another jurisdiction who receives approval of the United States Marshal. This approval shall be accomplished by signing a register in the office of the United States Marshal on each day that the person enters the courthouse with a weapon. Such register will record the date, signature of the person carrying the weapon, destination in the courthouse, and a brief description of the weapon.

(d) The United States Marshal and any other federal security force authorized by law are directed to enforce this Rule and to take into custody any person violating its provisions. Such persons who commit any violation of this Rule while outside the confines of a courtroom or in a courtroom outside the presence of the Judge or Judges of such Court shall be brought before a Magistrate Judge without any unnecessary delay. Such persons who commit any violation of this Rule while within the confines of a courtroom in the presence of a Judge or Judges shall be brought before the Judge or Judges as directed without unnecessary delay.

Rule 57.5 Admission of Attorneys to Practice in the Northern District of Ohio

(a) **Roll of Attorneys.** The Bar of this United States District Court for the Northern District of Ohio consists of those admitted to practice before this Court who have taken the oath prescribed by the Rules in force when they were admitted.

No person shall be permitted to practice in this Court or before any officer thereof as an attorney or to commence, conduct, prosecute, or defend any action, proceeding, or claim in which such person is not a party concerned, either by using or subscribing his or her own name or the name of any other person, unless he or she has been previously admitted to the Bar of this Court.

(b) **Bar Admission.** It shall be requisite to the admission of attorneys to practice in this Court that they shall have been admitted to practice in the highest court of any state, territory, the District of Columbia, an insular possession, or in any district court of the United States, that they are currently in good standing with such court and that their private and professional characters appear to be good. All attorneys admitted to practice in this Court shall be bound by the ethical standards of the Code of Professional Responsibility adopted by the Supreme Court of Ohio, so far as they are not inconsistent with federal law.

(c) **Local Office Requirement.** Unless otherwise ordered by the Court, it shall not be necessary for any attorney entitled to practice before the District Court or permitted to appear and participate in a case or proceeding to associate with or to designate an attorney with an office in this district upon whom notices, rulings, and communications may be served.

(d) **Admission by Clerk.** Each applicant shall file with the Clerk (1) a certificate from the presiding Judge or Clerk of the proper court evidencing the applicant's admission to practice there and that he or she is presently in good standing, (2) the applicant's personal statement, on the form approved by the Court and furnished by the Clerk, which shall be endorsed by two members of the Bar of this Court who are not related to the applicant, (3) Oath or Affirmation of Admission, and (4) evidence of attendance at a Northern District of Ohio federal district court practice seminar.

If the documents submitted by the applicant demonstrate that he or she possesses the necessary qualifications, the Clerk shall so notify or advise the applicant, and he or she may be admitted without appearing in Court.

(e) **Admission Upon Motion to the Court.** If the applicant so elects, rather than filing with the Clerk the certificate and statement required by subsection (d), he or she may be admitted by the Court on oral motion by a member of the Bar, provided that it appears from the motion or the statement of the applicant to the Court that he or she has satisfied the requirements of admission.

Local Criminal Rules -- Northern District of Ohio

(f) **Oath or Affirmation.** Each applicant shall subscribe or take the following oath or affirmation, viz.:

I, [Name] , do solemnly swear (or affirm) that as an attorney of this Court I will conduct myself uprightly, according to the law and the ethical standards of the Code of Professional Responsibility adopted by the Supreme Court of Ohio, so far as they are not inconsistent with Federal Law, and that I will support the Constitution and laws of the United States.

(g) **Admission and Fees.** All attorneys admitted to practice in this Court under this Rule shall pay to the Clerk the admission fee prescribed by the Judicial Conference of the United States and such other fees as may from time to time be required by General Order of this Court (such as a library fee).

(h) **Permission to Participate in Particular Case.** The Court's strong preference is that attorneys seek permanent admission to the Bar of this Court, however, any member in good standing of the Bar of any court of the United States or of the highest court of any state may, upon written or oral motion and payment of the pro hac vice admission fee (which is equal to the regular attorney admission fee), be permitted to appear and participate in a particular case, or in a group of related cases. An attorney must pay the pro hac vice admission fee each time he or she seeks pro hac vice status. A certificate of good standing from the aforementioned court(s) or an affidavit swearing to applicant's current good standing must accompany the motion for admission pro hac vice along with a check for the attorney admission fee payable to: Clerk, U.S. District Court. In addition to showing proof of current good standing, any attorney moving for admission pro hac vice must contemporaneously provide his or her typewritten name, address, telephone number, facsimile number, e-mail address, and bar registration number.

(i) **Change of Address.** All attorneys admitted to practice in this Court are required to submit a written notice of a change of business address and/or email address to the Clerk upon the change in address.

(j) **Continuing Maintenance of Good Standing.** It shall be requisite to the continuing eligibility of attorneys to practice in this Court that they are currently in good standing with the highest court of any state, territory, the District of Columbia, an insular possession, or in any district court of the United States, and that their private and professional characters appear to be good. All attorneys admitted to practice in this Court are deemed by their signature on any pleading, written motion, and other paper to certify that they are currently in good standing of the Bar of a Court of the United States or of the highest court of any state.

Local Criminal Rules -- Northern District of Ohio

(k) **Attorneys for the United States of America.** Attorneys for the United States are permitted to appear on behalf of the United States upon filing the applicant's personal statement, on the form approved by the Court and furnished by the Clerk, and the Oath or Affirmation of Admission. The admission fee required by subsection (g) is waived.

(l) **Southern District of Ohio Reciprocity Agreement.** The Northern District of Ohio has agreed, pursuant to General Order 2003-44, to waive the requirements that an attorney provide evidence of attendance at a federal district court seminar and that the applicant's personal statement be endorsed by two members of the bar of the Court, so long as the applicant submits a certificate of good standing from the Southern District of Ohio showing that the attorney has been admitted to practice for at least the past two years, or that this Court can readily verify the same, and the applicant complies with all other Northern Ohio admission requirements, including the payment of fees.

(m) **Waiver of Attendance at a Northern District of Ohio Federal District Court Practice Seminar.** Applicant may be granted reciprocity if applicant resides outside the State of Ohio and is admitted to the Bar of a U.S. District Court located outside the State of Ohio, and has taken a federal court practice seminar other than the Northern District of Ohio federal district court practice seminar. Applicant must also certify that he/she is familiar with the principles of the Civil Justice Reform Act of 1990, case management planning, the Federal Rules of Civil Procedures, the local rules of the Northern District of Ohio, in their entirety, with specific attention to Section 16.4, et seq. Alternative Dispute Resolution (ADR) and Section 16.1, et seq. Differentiated Case Management (DCM), the latter which includes the concepts of track assignment and case management conferences. Applicant must file with applicant's personal statement the *Certificate of Applicant & Waiver of Attendance at a Northern District of Ohio Federal District Court Seminar* along with a certificate of attendance at a federal district court practice seminar. Applicant shall comply with all other Northern Ohio admission requirements, including the payment of fees.

(n) **Prerequisites of Practice.** After July 1, 1992, to be counsel of record in criminal cases in this District, counsel shall have been counsel of record in at least two criminal cases to which the federal sentencing guidelines were applicable, or shall have taken the Court's annual course on federal criminal procedure or have taken six (6) hours of CLE credits on federal criminal law and/or federal criminal trial procedure for that year.

(o) **Continuing Legal Education.** After July 1, 1992, and for each year thereafter, all counsel appearing as counsel of record in criminal cases shall, in addition to complying with Paragraph (i) above, have taken the Court's annual course on criminal law, or certify that they have taken six (6) hours of CLE credits on federal criminal law and/or federal criminal trial procedure for that year.

Rule 57.6 Appearance and Practice by Law Students

Under the supervision of an attorney licensed to practice before this Court, a student who (1) is enrolled in a school of law accredited by the American Bar Association or holding membership in the Association of American Law Schools, and (2) has completed one-half of the credit hours required for graduation may, with the consent of the trial judge, participate as though he or she were a duly-licensed attorney in causes pending before this Court, to the extent authorized by this Rule. Such student participation shall be limited to the following situations:

(a) In all cases, parties to the litigation shall have advised the Court that they agree to the student's participation and that full explanation has been made of the student's status.

(b) In all cases, the student shall receive no compensation, directly or indirectly, for participation, other than the award of academic credit by the student's law school. This Rule shall not preclude a person who is salaried by a nonprofit agency (e.g., Legal Aid Office) from engaging in a student practice pursuant to this Rule.

(c) In criminal cases, a student may participate in prosecution as requested by the Office of the United States Attorney; a student may participate in defense as requested by attorneys representing defendants.

(d) In habeas corpus and post-conviction cases, a student may participate as requested by attorneys for petitioners; a student may participate on behalf of respondents as requested by respondent's counsel.

The term "supervision" as used in this Rule means the presence in Court during the student's participation of the attorney requesting his or her services, unless such attorney's absence is expressly authorized by the party whom he or she represents, the student, and the Judge.

The Judge before whom a student is participating may, at any time and with or without cause and for any reason, revoke the authorization established by this Rule.

Rule 57.7 Professional Conduct and Attorney Discipline

(a) **Standards for Professional Conduct.** All Attorneys admitted to practice in this Court shall be bound by the ethical standards of the Code of Professional Responsibility adopted by the Supreme Court of the State of Ohio, so far as they are not inconsistent with federal law (see LCrR 57.5(b) and (f)).

(b) **Failure to Comply.**

(1) For misconduct defined in this Rule, and for good cause shown, and after notice and opportunity to be heard, any attorney admitted to practice before this Court may be disbarred, suspended from practice before this Court, reprimanded or subjected to such other disciplinary action as the circumstances warrant.

(2) Acts or omissions by an attorney admitted to practice before this Court, individually or in concert with any other person or persons, which violate the Code of Professional Responsibility adopted by this Court shall constitute misconduct and shall be grounds for discipline, whether or not the act or omission occurred in the course of an attorney-client relationship.

(c) **Attorneys Specially Admitted.** Whenever an attorney applies to be admitted or is admitted to this Court for purposes of a particular proceeding (pro hac vice), the attorney shall be deemed thereby to have conferred disciplinary jurisdiction upon this Court for any alleged professional misconduct of that attorney.

(d) **Disciplinary Proceedings.**

(1) When misconduct or allegations of misconduct which, if substantiated, would warrant discipline on the part of an attorney admitted to practice before this Court come to the attention of a Judge of this Court, whether by complaint or otherwise, and the applicable procedure is not otherwise mandated by this Rule, the Judge shall refer the matter to the Court's Committee on Complaints and Policy Compliance ("the Committee"), with notification to the Clerk of Court, for investigation and the prosecution of a formal disciplinary proceeding or the formulation of such other recommendation as is appropriate.

(2) If the Committee concludes after investigation, review and findings that a formal disciplinary proceeding should not be initiated against the respondent-attorney, the Committee shall file with the Court a recommendation for disposition of the matter by dismissal, admonition, referral, or otherwise.

Local Criminal Rules -- Northern District of Ohio

(3) To initiate formal disciplinary proceedings, the Committee shall issue by regular U.S. mail an order of this Court requiring the respondent-attorney to show cause as noticed why the attorney should not be disciplined.

(4) Upon the respondent-attorney's answer to the order to show cause, if any issue of fact is raised or the respondent-attorney wishes to be heard in mitigation, the matter shall be set for hearing before the Committee, provided, however, that if the disciplinary proceeding is predicated upon the complaint of a judge of this Court who is a member of the Committee, that judge shall not participate in such hearing or in any action of this Court relative to said respondent-attorney.

(5) Counsel appointed pursuant to the authority set forth in section (f) of this Rule, *Discipline Imposed By Other Courts*, shall have the authority to investigate, prosecute before the Committee and otherwise assist the Committee in any matters involving a respondent-attorney.

(e) Attorneys Convicted of, Pleading Guilty or Nolo Contendere to Crimes.

(1) Serious Crimes

(a) If an attorney admitted to practice before this Court is found guilty by verdict at trial in any Court of record, or enters a plea of guilty or nolo contendere, to a serious crime, as herein after defined, the Chief Judge, on behalf of this Court, shall immediately enter an order of interim suspension of that attorney, regardless of the pendency of any appeal, until final disposition of a disciplinary proceeding to be commenced upon such conviction. A copy of such order shall be served upon the attorney by regular U.S. mail. Upon good cause shown, the Court may set aside such order when it appears in the interest of justice to do so.

(b) The Court shall, in addition to ordering an interim suspension of that attorney, refer the matter to the Committee on Complaints and Policy Compliance for the institution of a disciplinary proceeding on behalf of the Court. The sole issue to be determined shall be the extent of the final discipline to be imposed. A disciplinary proceeding so instituted will not be brought to final hearing until all appeals from the conviction are concluded.

(2) Other Crimes

If an attorney admitted to practice before this Court is found guilty by verdict at trial in any Court of record, or enters a plea of guilty or nolo contendere to a crime not

Local Criminal Rules -- Northern District of Ohio

constituting a serious crime, the Court may refer the matter to the Committee on Complaints and Policy Compliance for whatever action the Committee deems warranted, including the institution of a disciplinary proceeding.

(3) The term “serious crime” shall include, but not be limited to, any felony and any lesser crime a necessary element of which, as determined by the statutory or common law definition of such crime in the jurisdiction where the judgment was entered, involves false swearing, misrepresentation, fraud, tax evasion, willful failure to file income tax returns, deceit, bribery, extortion, misappropriation, theft, or an attempt or a conspiracy or solicitation of another to commit a “serious crime.”

(4) A certified copy of an official document from any Court of record indicating that the Court has found an attorney guilty by verdict or trial, or has accepted a plea of guilty or nolo contendere, for any crime shall be conclusive evidence of the commission of that crime in any disciplinary proceeding instituted against that attorney.

(5) An attorney suspended under the provisions of this Rule will be reinstated upon the filing of a certificate demonstrating that the underlying conviction of a serious crime has been reversed. However, the reinstatement will not terminate any disciplinary proceeding then pending against the attorney.

(f) Discipline Imposed By Other Courts.

(1) Any attorney admitted to practice before this Court shall, upon being subjected to public discipline by any other Court of record, promptly inform the Clerk of this Court of such action. If the Committee becomes aware of any public discipline to which any attorney admitted to practice before this Court is subjected, the Committee shall inform the Clerk of this Court.

(2) Upon the filing of a certified or exemplified copy of a judgment or order demonstrating that an attorney admitted to practice before this Court has been disciplined by another Court, this Court shall issue by regular U.S. mail a notice directed to the attorney containing:

(A) a copy of the judgment or order from the other Court; and

(B) an order to show cause directing that the attorney inform this Court of any claim by the attorney that the imposition of the identical discipline by the Court would be unwarranted and the reasons therefor. Upon the respondent-attorney’s answer to the order to show cause, if any issue of fact is raised or the respondent-

Local Criminal Rules -- Northern District of Ohio

attorney wishes to be heard in mitigation, the matter shall be set for hearing before the Committee.

(3) This Court may impose the identical discipline unless this Court finds that the imposition of the same discipline by this Court would result in grave injustice.

(4) In all other respects, a final adjudication in another Court that an attorney has been guilty of misconduct shall establish conclusively the misconduct for purposes of a disciplinary proceeding in this Court.

(5) This Court, acting through the Committee, may at any stage appoint counsel to prosecute the disciplinary proceedings.

(g) Disbarment on Consent or Resignation in Other Courts.

(1) Any attorney admitted to practice before this Court who is disbarred on consent or resigns from the bar of any other Court of record while an investigation into allegations of misconduct is pending shall be stricken from the roll of attorneys admitted to practice before this Court upon the filing of a certified or exemplified copy of the judgment or order or upon notification by the attorney.

(2) It is the duty of any attorney admitted to practice before this Court who is disbarred on consent, or resigns from the bar of any other Court of record while an investigation into allegations of misconduct is pending, to notify the Clerk of this Court of such disbarment.

(h) Disbarment on Consent While Under Disciplinary Investigation or Prosecution.

(1) Any attorney admitted to practice before this Court who is the subject of an investigation into, or a pending proceeding involving, allegations of misconduct may consent to disbarment, but only by delivering to the Clerk of this Court an affidavit stating that the attorney desires to consent to disbarment and that:

(A) the attorney's consent is freely and voluntarily given; the attorney is not being subjected to coercion or duress; the attorney is fully aware of the implications of so consenting;

(B) the attorney is aware that there is presently pending an investigation or proceeding involving allegations that grounds exist for the attorney's discipline, the nature of which the attorney shall specifically set forth;

Local Criminal Rules -- Northern District of Ohio

(C) the attorney acknowledges that the material facts alleged are true; and

(D) the attorney consents because the attorney knows that if charges were predicated upon the matters under investigation, or if the proceeding were prosecuted, the attorney could not successfully defend himself or herself.

(2) Upon receipt of the required affidavit, this Court shall enter an order disbarring the attorney.

(i) Reinstatement.

(1) After Disbarment or Suspension. An attorney suspended for three months or less shall be automatically reinstated at the end of the period of suspension upon filing with the Clerk of Court of an affidavit of compliance with the provisions of the order. An attorney suspended for more than three months or disbarred may not resume practice until reinstated by order of this Court.

(2) Time of Application. A person who has been disbarred after hearing or by consent may not apply for reinstatement until the expiration of at least five years from the effective date of the disbarment.

(3) Hearing on Application. Applications for reinstatement by a disbarred or suspended attorney under this Rule shall be filed with the Clerk of Court. Upon receipt of the application, the Clerk shall refer the application to the Committee which shall schedule a hearing. At the hearing the attorney shall have the burden of demonstrating by clear and convincing evidence that he/she has the moral qualifications, competency and learning in the law required for admission to practice law before this Court and that his/her resumption of the practice of law will not be detrimental to the integrity and standing of the bar or to the administration of justice, or subversive of the public interest. If the disciplinary proceeding which led to the disbarment or suspension of the attorney was predicated upon the complaint of a Judge of this Court who is a member of the Committee, that Judge shall not participate in such hearing or in any action of this Court relative to said attorney.

(4) Duty of Counsel. In all proceedings upon an application for reinstatement, cross-examination of the witnesses of the attorney and the submission of evidence, if any, in opposition to the application shall be conducted by a member of the Committee, unless the Committee has appointed counsel in which case such cross-examination shall be conducted by that counsel.

Local Criminal Rules -- Northern District of Ohio

(5) Deposit for Costs of Proceeding. Applications for reinstatement under this Rule shall be accompanied by an advance cost deposit in an amount to be set from time to time by the Court to cover anticipated costs of the reinstatement proceedings.

(6) Conditions of Reinstatement. If the attorney is found unfit to resume practice in this Court, the application shall be dismissed. If the attorney is found fit to resume practice in this Court, the judgment shall reinstate him/her, provided that the judgment may make reinstatement conditional upon the payment of all or part of the costs of the proceedings, and upon the making of partial or complete restitution to parties harmed by the attorney whose conduct led to the suspension or disbarment. In addition, if the attorney has been suspended for two years or more or disbarred, reinstatement is conditioned upon the attendance of the attorney at a Federal Court Practice Seminar. If the attorney has been suspended for five years or more or disbarred, reinstatement may be conditioned upon furnishing proof of competency and learning in the law, which proof may include certification by the bar examiners of a state or other jurisdiction of the attorney's successful completion of an examination for admission to practice subsequent to the date of suspension or disbarment.

(7) Successive Applications. No application for reinstatement under this Rule shall be filed within one year following an adverse judgment upon an application for reinstatement filed by or on behalf of the same attorney.

(j) Appointment of Counsel. Whenever counsel is to be appointed pursuant to this Rule to investigate allegations of misconduct or prosecute disciplinary proceedings or in conjunction with a reinstatement application filed by a disciplined attorney, this Court or the Committee may appoint as counsel the disciplinary agency of the Supreme Court of Ohio or other state or local disciplinary agency having jurisdiction. If no such disciplinary agency exists or such disciplinary agency declines appointment, or if the Committee determines it more appropriate, the Committee may appoint as counsel one or more members of the Bar of this Court to investigate allegations of misconduct or to prosecute disciplinary proceedings under this Rule, provided, however, that the respondent-attorney may move to disqualify an attorney so appointed who is or has been engaged as an adversary of the respondent-attorney in any matter. Counsel, once appointed, may not resign unless permission to do so is given by this Court.

(k) Service. Service of orders, notices or any other papers shall be made by regular U.S. mail addressed to the respondent-attorney at the last known office address of the respondent-attorney.

(l) Public Record. The general order disbaring, suspending, reprimanding or subjecting an attorney to other disciplinary action or reinstating an attorney shall be a matter of public record.

Local Criminal Rules -- Northern District of Ohio

All other records pertaining to attorney disciplinary action(s), which are not already public records, shall not be publicly disclosed or made available for use in any other proceeding except upon order of this Court.

(m) Jurisdiction. Nothing contained in this Rule shall be construed to deny to this Court such powers as are necessary for the Court to maintain control over proceedings conducted before it, such as proceedings for contempt under Title 18 of the United States Code or under Rule 42 of the Federal Rules of Criminal Procedure.

(n) Applicability. This Rule shall apply only to disciplinary actions initiated on or after August 10, 1998.

Rule 57.8 Judicial Misconduct and Disability

(a) 28 U.S.C. § 372(c) provides a way for any person to complain about a Judge who the person believes "has engaged in conduct prejudicial to the effective and expeditious administration of the business of the courts" or "is unable to discharge all the duties of office by reason of mental or physical disability." It also permits the judicial councils of the circuits to adopt rules for the consideration of these complaints. The Judicial Council of the Sixth Circuit has adopted "Rules of the Judicial Council of the Sixth Circuit Governing Complaints of Judicial Misconduct or Disability" under the authority of 28 U.S.C. § 372(c). A copy of these rules is on file with the Office of the Clerk.

(b) Pursuant to the rules adopted by the Judicial Council of the Sixth Circuit, complaints shall be filed with the Circuit Executive for the Sixth Circuit Court of Appeals on a form that can be obtained from that office.

Rule 57.9 Assignment of Cases

(a) **Assignment.** Subject to the latter provisions of this Rule, upon filing, each criminal case, shall be assigned by random draw to a District Judge. He or she shall continue in the case or matter until its final disposition. Any case received from the random draw may be transferred, with the concurrence of the receiving District Judge and the approval of the Chief Judge.

(1) With regard to all criminal proceedings in the Eastern Division of the Court, after each case is assigned by random draw to a District Judge, the Clerk shall immediately assign a Magistrate Judge to the case in accordance with orders of the Court.

(2) Preliminary matters in criminal cases, including but not limited to, the acceptance of criminal complaints and issuance of arrest warrants or summonses and applications for the issuance of search warrants, applications for seizure warrants, and applications for administrative inspection warrants, shall be presented by the applicant to the Magistrate Judge on warrant duty at the time of application, unless directly related to a matter previously considered by another Magistrate Judge, in which case the application shall be presented to such other Magistrate Judge.

(b) **Reassignment.** Cases shall be assigned other than by random draw only in the instances set forth in this paragraph. Such assignments shall be made by the Clerk in accordance with these Rules. When an additional assignment is thus made to a District Judge under any of the following sub-paragraphs, on the next draw by said District Judge of a case of the same category, that assignment shall be passed, and said case shall be reassigned to the District Judge whose card is next drawn in that category.

(1) **Disqualification.** Should a District Judge be disqualified from hearing a case assigned to him or her, the case shall be reassigned by random draw in the respective division.

(2) **Subsequent Proceedings.** Subsequent proceedings in criminal cases (including supervised release violations, probation violations and petitions under 28 U.S.C. § 2255) shall be assigned to the District Judge who heard the original case. In instances where the District Judge who heard the original case is no longer with the Court, the subsequent proceedings shall be assigned to an active District Judge in the respective division by random draw from the deck maintained for post-judgment matters. Whenever a new criminal case is filed contemporaneously with a subsequent proceeding against the same defendant, the subsequent proceeding shall be assigned pursuant to this paragraph and the new case shall be assigned separately pursuant to subsection (a) of this Rule.

Local Criminal Rules -- Northern District of Ohio

(3) Related cases. A case may be re-assigned as related to an earlier assigned case with the concurrence of both the transferee and the transferor District Judges, with or without a motion by counsel.

(4) Refiled Cases. If an action is discontinued and subsequently refiled, it shall be assigned to the same District Judge who received the initial case assignment without regard for the place of holding court in which the case was refiled. Counsel shall be responsible for indicating relatedness on the Criminal Designation Form (Appendix C).

When it becomes apparent to the District Judge to whom a case is assigned that the case was previously filed in this Court and assigned to another District Judge and was discontinued, the two District Judges shall sign an order reassigning the case to the District Judge who had been assigned the earlier case.

(5) Superseding Matters. An indictment or information which supercedes another shall be assigned to the District Judge to whom the superseded matter was assigned.

Local Criminal Rules -- Northern District of Ohio

Rule 57.10 Procedure for Assignment of Cases

The procedure for the assignment of cases shall be the same for the Eastern and Western Divisions. Each of the District Judges in the Eastern and Western Divisions shall be assigned an equal share of the cases filed in his or her division except that the Chief Judge shall be assigned a one-half (50 percent) share. This shall apply to criminal cases and to the miscellaneous docket.

Local Criminal Rules -- Northern District of Ohio

Rule 57.11 Categories of Criminal Cases

Depending upon the nature of the count (principal count if more than one count is in the indictment or information), each case shall be designated as within one of the following categories:

1. General Criminal
2. Misdemeanors

Upon the return of an indictment or the filing of a criminal information, each criminal case shall be assigned to the category indicated by the United States Attorney.

Rule 57.12 Preparation of Assignment Decks

For each of the Eastern Division Offices in Akron, Cleveland and Youngstown, the Clerk of Court shall cause to be created combined electronic decks of case assignment cards in the automated Case Assignment System for each of Criminal Categories 1 and 2. For Criminal Category 1, two separate case assignment decks will be maintained. The first Category 1 deck will be used for the assignment or reassignment of any criminal action with four or less defendants. The second Category 1 deck will be used for the assignment or reassignment of any criminal action with five or more defendants.

For the Western Division, the Clerk of Court shall cause to be created separate electronic decks of case assignment cards in the automated Case Assignment System for each of Criminal Categories 1 and 2. For Criminal Category 1, two separate case assignment decks will be maintained. The first Category 1 deck will be used for the assignment or reassignment of any criminal action with four or less defendants. The second Category 1 deck will be used for the assignment or reassignment of any criminal action with five or more defendants.

The electronic cards comprising each deck category will contain the category number and the name of a District Judge. The name of each District Judge shall appear on that number of cards in the electronic deck that corresponds to the share of cases assigned to that District Judge pursuant to Local Criminal Rule 57.10.

The cards making up a deck shall be electronically shuffled so that the sequence will be entirely by chance, and the cards shall be concealed so that the name of the District Judge will not be known until the card is drawn. Relying on the indicated category of the case and selecting the appropriate deck the Assignment Clerk shall randomly select a card from the deck of that category. The case shall be assigned to the District Judge whose name appears on the draw card. New decks of cards shall be prepared by the Clerk from time to time, as herein described, unless otherwise instructed by the Court.

Decks for each category of criminal cases shall be replenished as soon as the decks are depleted.

The Assignment Clerk shall mark, on the first document of the case, the next consecutive case number and the name of the District Judge to whom the case is assigned. A record of all assignments made shall be kept by said Clerk. Reports of case assignments shall be made available to the Court upon request.

Local Criminal Rules -- Northern District of Ohio

Rule 57.13 Duties of the Clerk as to Case Assignments

A District Judge in charge of the miscellaneous docket who becomes unavailable shall arrange for another District Judge to take charge of the docket and notify the Clerk of Court in writing of the name of the District Judge who will take charge of the docket while the District Judge is unavailable. (a) **General.** Collateral may be posted in lieu of the appearance of the offender for petty offenses, as listed by an order of Court, occurring within the territorial jurisdiction of the Magistrate Judges. All petty offenses shall be treated as being within the territorial jurisdiction of the Magistrate Judges sitting in Akron, Cleveland, Toledo or Youngstown as designated by the Central Violation Bureau based upon the location of the offense. Any person to appear before a Magistrate Judge for trial of a petty offense as listed in an order of Court as hereinbefore mentioned may post collateral. The posting of said collateral shall signify that the offender neither contests the charge nor requests a hearing before a designated Magistrate Judge. Rule 9015-1 JURY TRIAL

(a) The bankruptcy judges of the Northern District of Ohio are specially designated to conduct jury trials pursuant to 28 U.S.C. § 157(e). Upon the express consent of all of the parties, issues triable of right by jury shall, if timely demanded, be by jury. (See Appendix A.)

(b) Any appeal from a judgment entered pursuant to a jury verdict shall be to the United States Court of Appeals for the Sixth Circuit.

(c) Any party may demand a trial by jury of any issue triable of right by a jury, by serving on the other parties a demand therefor in writing at any time after the commencement of the action and not later than 10 days after service of the last pleading directed to such issue. The demand may be endorsed on a pleading of the party. If a party demands a jury trial by endorsing it on a pleading, as permitted by Fed. R. Civ. P. 38(b), a notation shall be placed on the front page of the pleading, immediately following the title of the pleading, stating "Demand for Jury Trial" or equivalent statement. This notation will serve as a sufficient demand under Rule 38(b). Failure to use this manner in noting the demand will not result in a waiver under Rule 38(d).

(d) In the demand a party may specify the issue(s) which it wishes so tried; otherwise the party shall be deemed to have demanded trial by jury for all the issues so triable. If the party has demanded trial by jury for only some of the issues, any other party, within 10 days after service of the demand or such lesser time as the Court may order, may serve a demand for trial by jury of any other or all of the issues of fact in the action.

(e) On motion or on its own initiative, the Court may determine whether there is a right to trial by jury of the issues for which a jury trial is demanded, or whether a demand for trial by jury in a proceeding shall be granted.

(f) The failure of a party to serve and file a demand as required by this Rule constitutes a waiver by the party of trial by jury. A demand for trial by jury made as herein provided may not be withdrawn without consent of the parties.

(g) Fed. R. Civ. P. 47 through 51 apply when a jury trial is conducted.
